11. LICENSURE

Contractor agrees to provide copies of current licenses and certifications that register Contractor and any associates performing under this Contract.

12. COMPLIANCE WITH WORKERS' COMPENSATION ACT

CONTRACTOR shall establish a zero tolerance policy to incidents of sexual assault/rape or sexual misconduct. Any subletting or subcontracting by Contractor subjects subcontractors to the same provisions. In accordance with 49-3-207, MCA, and Executive Order No. 04-2016 Contractor agrees that the hiring of persons to perform this Contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this Contract.

The Affordable Care Act requires a contractor, if contractor is an applicable large employer under the ACA, to provide healthcare coverage for its employees who provide services for the State and work for 30 or more hours per week. This coverage must also cover the eligible employee's dependents under the age of 26. The coverage must (a) meet the minimum essential coverage, minimum value, and affordability requirements of the employer responsibility provisions under Section 4980H of the Code (ACA), and (b) otherwise satisfy the requirements of the Code § 4980 H (ACA) if provided by the State.

Additional Indemnification. Claims under this provision also include those arising out of or in any way connected with Contractor's breach of this contract, including any Claims asserting that any of Contractor's employees are actually employees or common law employees of the State or any of its agencies, including but not limited to, excise taxes or penalties imposed on the State under the Code §§ 4980H, 6055 or 6056.

Reporting Requirements. Contractor, if contractor is an applicable large employer under the ACA, further states that it shall satisfy all reporting requirements under the Code §§ 6055 and 6056 (ACA) with respect to individuals who perform services for the State.

Interested parties should provide as much advance notice as possible.

15. REGISTRATION WITH THE SECRETARY OF STATE

Any business intending to transact business in Montana must register with the Secretary of State. Businesses that are incorporated in another state or country, but which are conducting activity in Montana, must determine whether they are transacting business in Montana in accordance with 35-1-1026 and 35-8-1001, MCA. Such businesses may want to obtain the guidance of their attorney or accountant to determine whether their activity is considered transacting business.

If businesses determine that they are transacting business in Montana, they must register with the Secretary of State and obtain a certificate of authority to demonstrate that they are in good standing in Montana. To obtain registration materials, call the Office of the Secretary of State at (406) 444-3665, or visit their website at <http://sos.mt.gov>.

16 INTELLECTUAL PROPERTY/OWNERSHIP

16.1 Ownership of Work Product. Contractor shall execute any documents or take any other actions as may reasonably be necessary, or as the Department may reasonably request, to perfect the Department's ownership of any Work Product.

16.2 Copy of Work Product. Contractor shall, at no cost to the Department, deliver to the Department, upon the Department's request during the term of this contract or at its expiration or termination, a current copy of all Work Product in the form and on the media in use as of the date of the Department's request, or such expiration or termination.

16.3 Ownership of Contractor Pre-Existing Materials. Contractor retains ownership of all literary or other works of authorship (such as software programs and code, documentation, reports, and similar works), information, data, intellectual property, techniques, subroutines, algorithms, methods or related rights and derivatives that Contractor owns at the time this contract is executed or otherwise developed or acquired independent of this contract and employed by Contractor in connection with the services provided to the Department (the "Contractor Pre-existing Materials"). Contractor Pre-existing Materials are not Work Product. Contractor shall provide full disclosure of any Contractor Pre-Existing Materials to the Department before its use and to prove its ownership. If, however, Contractor fails to disclose to the Department such Contractor

Pre-Existing Materials, Contractor shall grant the Department a nonexclusive, worldwide, paid-up license to use any Contractor Pre-Existing Materials embedded in the Work Product to the extent such Contractor Pre-Existing Materials are necessary for the Department to receive the intended benefit under this contract. Such license shall remain in effect for so long as such Pre-Existing Materials remain embedded in the Work Product. Except as otherwise provided for in Section 16.3 or as may be expressly agreed in any statement of work, Contractor shall retain title to and ownership of any hardware it provides under this contract.

17. CONTRACT TERMINATION

17.1 Termination for Cause with Notice to Cure Requirement. The Department may terminate this contract in whole or in part for Contractor’s failure to materially perform any of the services, duties, terms, or conditions contained in this contract after giving Contractor written notice of the stated failure. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

17.2 Termination for Cause with Notice to Cure Requirement. Contractor may terminate this contract for the Department’s failure to perform any of its duties under this contract after giving the Department written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than **30 days**. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

17.3 Reduction of Funding. The Department must by law terminate this contract if funds are not appropriated or otherwise made available to support the Department's continuation of performance of this contract in a subsequent fiscal period. (18-4-313(4), MCA.) If state or federal government funds are not appropriated or otherwise made available through the Department budgeting process to support continued performance of this contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, the Department shall terminate this contract as required by law. The Department shall provide Contractor the date the Department's termination shall take effect. The Department shall not be liable to Contractor for any payment that would have been payable had the contract not been terminated under this provision. As stated above, the Department shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date the Department's termination takes effect. This is Contractor's sole remedy. The Department shall not be liable to Contractor for any other payments or damages arising from termination under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

18. EVENT OF BREACH – REMEDIES

18.1 Event of Breach by Contractor. Any one or more of the following Contractor acts or omissions constitute an event of material breach under this contract:

18.3 Actions in Event of Breach.

Upon Contractor's material breach, the Department may:

- ⌚ terminate this contract under Section 17.1 and pursue any of its remedies under this contract, at law, or in equity; or

Upon the Department's material breach, Contractor may:

- ⌚ terminate this contract under Section 17.2 and pursue any of its remedies under this contract, at law, or in equity; or
- ⌚ treat this contract as materially breached and, except as the remedy is limited in this contract, pursue any of its remedies under this contract, at law, or in equity.

19. FORCE MAJEURE

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this contract, unless the parties mutually agree that the obligation is excused because of the condition.

20. WAIVER OF BREACH

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

21. CONFORMANCE WITH CONTRACT

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without the Department's Contracts Management Bureau's prior written consent. Product or services provided that do not conform to the contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

22. LIAISONS AND SERVICE OF NOTICES

22.1 Contract Liaisons. All project management and coordination on the Department's behalf must be through a single point of contact designated as the Department's liaison. Contractor shall designate a liaison that will provide the single point of contact for management and coordination of Contractor's work. All work performed under this contract must be coordinated between the Department's liaison and Contractor's liaison.

Mike Barthel, Deputy Chief Region VI P&P is the Department's liaison.

22.2 Notifications. The Department's liaison and Contractor's liaison may be changed by written notice to the other party. Written notices, requests, or complaints must first be directed to the liaison. Notice may be provided by personal service, mail, or facsimile. If notice is provided by personal service or facsimile, the notice is effective upon receipt; if notice is provided by mail, the notice is effective within three business days of mailing. A signed and dated acknowledgement of the notice is required of both parties.

23. MEETINGS

23.1 Technical or Contractual Problems. Contractor shall meet with the Department's personnel, or designated representatives, to resolve technical or contractual problems occurring during the contract term or to discuss the progress made by Contractor and the Department in the performance of their respective obligations, at no additional cost to the Department. The Department may request the meetings as problems arise and will be coordinated by the Department. The Department shall provide Contractor a minimum of three full working days notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the contract.

23.2 Failure to Notify. If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by the Department, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

23.3 Department's Failure or Delay. For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of the Department's failure or delay in discharging any Department obligation, the Department shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If the Department agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby, and provide for any additional charges by Contractor. This is Contractor's sole remedy. If the Department does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

24. TRANSITION ASSISTANCE

If this contract is not renewed at the end of this term, if the contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor shall provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this contract or particular work under this contract. The purpose of this assistance is to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to the Department or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this contract, except for those terms or conditions that do not reasonably apply to such transition assistance. The Department shall pay Contractor for any resources utilized in performing such transition assistance at the most current contract rates. If the Department terminates a project or this contract for cause, then the Department may offset the cost of paying Contractor for the

additional resources Contractor utilized in providing transition assistance with any damages the Department may have sustained as a result of Contractor's breach.

25. CHOICE OF LAW AND VENUE

Montana law governs this contract. The parties agree that any litigation concerning this bid, proposal, or this contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.

26. TAX EXEMPTION

The Department of Montana is exempt from Federal Excise Taxes (#81-0302402).

27. AUTHORITY

This contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

28. SEVERABILITY CLAUSE

A declaration by any court or any other binding legal source that any provision of the contract is illegal and void shall not affect the legality and enforceability of any other provision of the contract, unless the provisions are mutually and materially dependent.

29. SCOPE, ENTIRE AGREEMENT, AND AMENDMENT

29.1 Contract. This contract consists of 9 numbered pages and any Attachments as required. In the case of dispute or ambiguity arising between or among the documents, the order of precedence of document interpretation is the same.

29.2 Entire Agreement. These documents are the entire agreement of the parties. They supersede all prior agreements, representations, and understandings. Any amendment or modification must be in a written agreement signed by the parties.

30. WAIVER

The Department's waiver of any Contractor obligation or responsibility in a specific situation is not a waiver in a future similar situation or is not a waiver of any other Contractor obligation or responsibility.
