2. DUTIES/RESPONSIBILITIES OF CONTRACTOR

A licensed addictions counselor and/or licensed clinical professional counselor will provide services. Services shall include:

A.-J. No changes.

~~K. Performance Measures~~

~~In order to assist the Department in collecting useable and measurable data on offenders participating in treatment, CONTRACTOR agrees to input participating offender data into Department of Public Health and Human Services (DPHHS) Substance Abuse Management System (SAMS). Data entry for MDOC CONTRACTORS is condensed from typical DPHHS SAMS data entry and does not require an Addictions Severity Index (ASI). CONTRACTOR data entry for offenders currently being served is expected to take a minimal amount of time (approximately 10 minutes/offender) and should occur as part of the CONTRACTOR'S regular course of CD treatment services offered to offenders. SAMS is web based software and CONTRACTOR must have a computer that supports Windows 2000 or higher, with the latest operating system updates, virus protection software and other updates as they are made available; and a high speed internet connection with Java loaded, prior to accessing or entering data into SAMS.~~

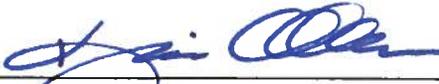

~~Within ninety (90) days of Contract execution or upon the earliest available training offered, CONTRACTOR must complete or have completed DPHHS SAMS Training. CONTRACTOR may attend one day (required) or two day (optional) SAMS training offered in Helena through DPHHS. Contractor will not be charged for the training and will not receive financial reimbursement from DEPARTMENT for attending. CONTRACTOR may also receive training through other approved treatment providers approved by DPHHS. If CONTRACTOR attends SAMS training offered through DPHHS, all licensed addictions counselors (LACs) completing the training will be eligible for 7 Continuing Education credits for one day training and 12 for two day training.~~

~~CONTRACTOR may use offender self report forms to gather applicable offender data, as long as the CONTRACTOR is available for offender questions and clarifies with the offender any reported information that appears to be conflicting or confusing. CONTRACTOR will complete SAMS data entry for 6 and 12 month follow ups on all offenders discharged from treatment as complete. The local Probation and Parole Office where offenders are initially served will assist the CONTRACTOR in locating offenders for follow up and forward applicable offender paperwork to the supervising Probation and Parole Officer. The local Probation and Parole Office will ensure that applicable offender paperwork is returned to the CONTRACTOR in a timely manner in order to allow for SAMS data entry.~~

~~In addition to entering applicable offender data into SAMS, CONTRACTOR agrees to provide any SAMS data, statistics, and information that the Department reasonably requires.~~

This constitutes the Amendment to the Contract. All other provisions contained in the original Contract, as amended, shall remain unchanged.

CONTRACTOR data entry for offenders currently being served is expected to take a minimal amount of time (approximately 10 minutes/offender) and should occur as part of the CONTRACTOR'S regular course of CD treatment services offered to offenders. SAMS is web-based software and CONTRACTOR must have a computer that supports Windows 2000 or higher, with the latest operating system updates, virus protection software and other updates as they are made available; and a high speed internet connection with Java loaded, prior to accessing or entering data into SAMS.

Within ninety (90) days of Contract execution or upon the earliest available training offered, CONTRACTOR must complete or have completed DPHHS SAMS Training. CONTRACTOR may attend one-day (required) or two-day (optional) SAMS training offered in Helena through DPHHS. Contractor will not be charged for the training and will not receive financial reimbursement from DEPARTMENT for attending. CONTRACTOR may also receive training through other approved treatment providers approved by DPHHS. If CONTRACTOR attends SAMS training offered through DPHHS, all licensed addictions counselors (LACs) completing the training will be eligible for 7 Continuing Education credits for one-day training and 12 for two-day training.

CONTRACTOR may use offender self-report forms to gather applicable offender data, as long as the CONTRACTOR is available for offender questions and clarifies with the offender any reported information that appears to be conflicting or confusing. CONTRACTOR will complete SAMS data entry for 6 and 12 month follow-ups on all offenders discharged from treatment as complete. The local Probation and Parole Office where offenders are initially served will assist the CONTRACTOR in locating offenders for follow-up and forward applicable offender paperwork to the supervising Probation and Parole Officer. The local Probation and Parole Office will ensure that applicable offender paperwork is returned to the CONTRACTOR in a timely manner in order to allow for SAMS data entry.

In addition to entering applicable offender data into SAMS, CONTRACTOR agrees to provide any SAMS data, statistics, and information that the Department reasonably requires.
