*This term and any corresponding data refers to the typical performance in the specific tests indicated and should not be construed to imply the behavior of this or any other material under actual fire conditions.

All Spradling International's vinyl- and PU- coated fabrics contain flame retardant additives.

Specifics

Weight: 27 oz.

Width: 54 in.

Roll Size: 30 yd.

Applications

Corporate Interiors

Restaurant

Hotel | Motel

Casino

Sunroom

Residential

Care and Cleaning Guide

Step 1: For light soiling, a solution of 10% household liquid dish soap in warm water, applied with a soft damp cloth. Rinse with clean water and dry.

Step 2: For heavy soiling, dampen a soft white cloth with a one-to-one (1:1) solution of Formula 409® and water or Fantastik® and water. Rub gently and rinse with a water dampened cloth.

Step 3: For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach and 90% water). Rub gently and rinse with a water dampened cloth to remove bleach concentration.

Do not use with alcohol-based cleaning agents!

This information is not a guarantee and does not relieve the user from the responsibility of the proper and safe use of the product and all cleaning agents. The use of certain agents can be harmful to the surface appearance and lifespan of vinyl. Spradling, its agents and assigns assume no responsibility resulting from the use of such cleaning agents to the vinyl.

Certain clothing and accessory dyes (such as those used on denim jeans) may migrate to lighter colors. This phenomenon is increased by humidity and temperature and is irreversible. Spradling International, Inc. will not assume responsibility for dye transfer caused by external contaminants. Please check compatibility when using this product in combination with painted or varnished surfaces.
