SPECIFICATIONS

Dimensions: 30" H x 60" W x 30" D

Our Modular workstation is constructed of select hardwood components with quality metal connectors to ensure a strong and durable interchangeable furniture system.

- Construction process uses a 32mm boring system to ensure uniformity when joining components
- Bolt connectors and barrel nuts provide metal-to-metal joint connections, eliminating wear and damage to the wood
- Drawers equipped with 75-pound capacity epoxy-coated steel slides
- Drawer slides use positive in/out stops
- Modesty panels, pedestal sides, and drawer faces made from 3/4" thick oak veneer plywood trimmed with solid oak
- Leg panels made from 1" thick oak veneer plywood trimmed with solid oak
- Wood grain laminate top with hand-shaped solid oak chamfered edging
- Adjustable chrome glides allow leveling on uneven floors
