

ERGONOMIC MONITOR ARMS

SPECIFICATIONS

MONITOR ARMS

With more people working from flat panel monitors than ever before, a flexible, strong and adjustable monitor arm is an essential tool in today's modern office. Turn your standard work surface into a dynamic workstation.

- Monitor arm uses extension spring technology
- Easy adjustment and flawless ergonomic function in an articulating monitor arm
- Lightweight, long-term durability
- Ultra-thin design that complements flat-panel monitors
- Allows setting for one or multiple monitors at an optimal distance and height

SPECIFICATIONS
