These funds are not included in the overall contract max. As a part of contract monitoring processes, the department may request access to payroll records at any time, for any employee, for the purpose of verifying the raise was provided. These funds may only be used for wage increases and the associated employee benefits. They may not be used for bonuses or other operating expenses.

G. Compensation/Billing

DEPARTMENT agrees to pay a daily per diem rate where "daily" means each day, or part of a day, including the first but not the last day of program participation/confinement. This applies to each subsection listed under Section G (1) below. For subsequent negotiations commencing May 1, 2011 and thereafter, DEPARTMENT will compensate CONTRACTOR at any newly negotiated rates, such rates to be effective July 1st of the beginning of the immediate next Fiscal Year commencing July 1st, provided a contract amendment has been signed by both parties. The parties may extend the Contract signature deadline in any renegotiation period between May 1 and July 1) to July 31st of that year but may not extend the signature deadline later than July 31st ("the Impasse Date") absent extenuating circumstances (eg. special sessions, pending legal opinion, or per statutory effective date). In the event a contract amendment has not been fully executed by the Impasse Date or, if extended due to extenuating circumstances, DEPARTMENT shall continue to compensate CONTRACTOR at the rates then existing during any period of dispute resolution until a final award is entered in accordance with the provisions of paragraph AA of this Contract.

Approval for Contract amendments will not be unreasonably withheld by either party. In the event of a disagreement over the acceptability or applicability of requested Contract amendments, whether as to financial or other matters, which results in the failure to execute an amended contract by the Impasse Date, the dispute resolution provisions of paragraph AA of this contract may be invoked by either party.

If the parties cannot agree to the Contract terms by the Impasse Date, the parties may also attempt to resolve the impasse with mediation, in which case the cost of mediation will be split equally between the parties. Mediation prior to invoking the dispute resolution provisions of paragraph AA of this Contract is not a condition precedent to arbitration.

Regardless of Contract amendments or resolution of disputes in mediation or until a final award in arbitration, DEPARTMENT shall compensate CONTRACTOR for successful delivery of the services provided pursuant to Contract during the two year period July 1, 2013 through June 30, 2015 in the following manner:

Program capacity at the Alpha House facility is one hundred sixty-two (162) male prerelease beds, with maximum compensations calculated at an Average Daily Population of **one hundred sixty-two** (162) beds for the contract year.

FY – 2015 (July 1, 2014 – June 30, 2015)

Alpha House: For the contract period beginning July 1, 2014 and ending June 30, 2015, DEPARTMENT will pay CONTRACTOR a per diem rate of **\$50.17** (fifty and 17/100 dollars) **per offender**, per day. Program capacity at the Alpha House facility is one hundred sixty-two (162) male prerelease beds, with maximum compensations calculated at an Average Daily Population of one hundred sixty-two (162) beds for the contract year.

The daily per diem rate paid to CONTRACTOR for **transitional living program (TLP) services** – provided in accordance with Section 2 (C)(8) of this Agreement – is **\$21.00 per offender, per day**. CONTRACTOR’S goal is to maintain twenty (20) offenders in this program at all times and the maximum amount paid to CONTRACTOR, as noted in Section 1(G)(1)(a), is based upon this goal and the corresponding dollar amount included in the contract maximum.

The daily per diem rate paid to CONTRACTOR for **enhanced supervision program (ESP) services** – provided in accordance with Section 2(C)(9) of this Agreement – is **\$15.00 per offender, per day**, with a guarantee of payment for six (6) ESP offenders, per day, regardless of the actual number of offenders in the program. CONTRACTOR’S goal is to maintain forty (40) offenders in this program at all times. The maximum amount paid to CONTRACTOR, as noted in Section 1(G)(1)(a), is based upon this goal and the corresponding dollar amount included in the contract maximum. CONTRACTOR will collect \$5.00 per day, per offender, for which ESP services are rendered. Collection from offenders must occur prior to the DEPARTMENT being invoiced for the current month. The invoice to the DEPARTMENT for ESP will be reduced by \$5.00 per day for each offender

CONTRACTOR collects from. Any amounts uncollected by CONTRACTOR will be billed to the DEPARTMENT via monthly invoice.

DEPARTMENT agrees to purchase **sanction beds** as set forth in Section 2(c)(12) of this agreement for a maximum of three (3) offenders at a rate of **\$43.56 per offender, per day for FY 2014 and \$44.43 per offender, per day for FY 2015**. If CONTRACTOR is unable to fill all of these sanction beds, these beds may be filled with standard male prerelease residents at the current applicable male prerelease per diem rate. Total compensation for these beds is included in the total contract maximum amounts listed in subsection 1(G)(1)(a) above.

Contractor shall not exceed the contract maximums listed in subsection 1(G)(1)(a) above for the facility. However, effective on the date this contract is executed, Contractor may only exceed the combined capacity level by an average of five (5) beds or slots (including prerelease, TLP, or ESP), or 5% of the combined capacity number, whichever is greater, within a 30 day period. The Department, at its discretion, may request the Contractor exceed its capacity level by more than 5 beds or 5% of the combined capacity number, whichever is greater, based on population needs, or other need identified by the Department. Requests from the Department to exceed capacity levels, by more than 5 beds or 5% of the combined capacity number, are intended to be made on a temporary basis to address population needs and are not intended to increase the contract maximums set forth in paragraph 1(G)(1)(a) in the absence of a contract amendment.

During an offender's detention placement, DEPARTMENT will continue payment to CONTRACTOR at the contracted per diem rate to allow CONTRACTOR to "hold" the bed until the offender's return. However, upon determination by DEPARTMENT Hearing Officer that the offender will be returned to a higher level of custody from CONTRACTOR detention center, CONTRACTOR will discontinue receiving per diem payments for the offender and may immediately fill the bed with another offender.

DEPARTMENT shall pay CONTRACTOR for male resident beds left temporarily vacant by offenders who are placed in a **jail facility**, those serving a **sanction** (and not a revocation), and those administratively transferred for medical or mental health stabilization to the START Program, and jail facilities, and who will be returning to the prerelease center they were removed from within a thirty (30) day time period. DEPARTMENT will not compensate CONTRACTOR for sanctions lasting longer than 30 days unless approved in writing by the DEPARTMENT. Longer stays require Department Administrator approval.

DEPARTMENT will be responsible for paying all offender County jail per diem charges directly to the County. CONTRACTOR will bill offender and collect from funds available in resident account, to the extent deemed reasonable by CONTRACTOR, the DOC-established County Jail per diem rate per offender, per day, for those offenders that serve jail days while in the prerelease program. DEPARTMENT will bill CONTRACTOR the DOC-established County Jail per diem rate per offender, per day, via a monthly invoice, for county jail days billed to DEPARTMENT by the County jail. DEPARTMENT will approve and forward invoice to CONTRACTOR. CONTRACTOR will remit to DEPARTMENT collectable amounts from offenders as determined reasonable by CONTRACTOR. CONTRACTOR shall not be responsible for any amount invoiced, but not paid from resident accounts. Unpaid invoice amounts will not be carried forward from month to month.

CONTRACTOR must follow ACCD 5.1.202 Prerelease Stipend and Special Needs Funding.

DEPARTMENT shall pay CONTRACTOR a share of fifty thousand and 00/100 dollars (\$50,000) per fiscal year to be allocated by contract capacity between Alternatives, Inc., Great Falls Prerelease Services, Inc., Missoula Correctional Services, Inc., Community, Counseling & Correctional Services, Inc., Boyd Andrew Community Services, and Gallatin County to pay for expenses related to *stipend requests*, and allocated by Facility contract capacity. **Alternatives, Inc. (Alpha House and Passages PRC) allocation amount for FY 2014 will be \$13,620.00 and \$13,620.00 for FY 2015.** This amount will not be counted toward the maximum amount paid under the contract in section 1(G)(1)(a).

DEPARTMENT shall pay CONTRACTOR a share of fifty thousand and 00/100 dollars (\$50,000) per fiscal year to be distributed on a first come, first serve basis between Alternatives, Inc., Great Falls Prerelease Services, Inc., Missoula Correctional Services, Inc., Community, Counseling & Correctional Services, Inc., Boyd Andrew Community Services, and Gallatin County to pay for expenses related to necessary services provided to offenders qualifying as "*special needs*" offenders. This amount will not be counted toward the maximum amount paid under the contract in section 1(G)(1)(a).

In addition to the daily per diem rate, DEPARTMENT will pay CONTRACTOR an additional \$11.00 per sex offender per day. CONTRACTOR may utilize up to **fifteen (15) beds**, included within its current contract capacity, for this purpose, not to **exceed \$60,225.00 in FY 2014 and \$60,225.00 in FY 2015.** This additional money for sex offender services is also included in the total contract maximum amounts listed in Section 1(G)(1)(a). CONTRACTOR must follow ACCD 3.5.100 Sex Offender Services.

d. Position compensation (nurse, mental health)

DEPARTMENT shall pay CONTRACTOR a one-time payment of thirty-one thousand and 00/100 dollars (\$31,000) per fiscal year, for no less than fifteen (15) hours per week of service from a registered nurse (or LPN's supervised by a medical professional maintaining certification of Registered Nurse (RN) or greater). The amount of payment for this service will be pro-rated, should nursing service not be available for an entire fiscal year. Should CONTRACTOR provide sick call, CONTRACTOR must comply with all applicable laws and regulations regarding practices of nursing and medicine.

DEPARTMENT shall pay CONTRACTOR for actual utilization and delivery of mental health services provided in accordance with ACCD 4.5.200 Healthcare Responsibilities. Payment will be based upon current Medicaid rates, not to exceed **\$55,000.00** (fifty- five thousand and 00/100 dollars) annually.

e. Booter Aftercare per diem (Great Falls PRC only)—not applicable.

2. Billing/Payment:

- a. All payments made under this Contract shall be made only upon submission by CONTRACTOR of an Invoice specifying the amounts due for contractual services rendered during the preceding month and certifying that services requested under the Contract have been performed in accordance with the Contract. Electronic invoices provided by DEPARTMENT shall be submitted no later than the 10th of each month and shall contain each offender name and (AO) number (Adult Offender # (AO#)) participating in the Alpha House Program, the date of Program entry, and date of release, if applicable. CONTRACTOR must follow ACCD 1.2.300 Institutional/Non-institutional.
- b. Per 17-8-242, MCA, DEPARTMENT agrees to pay CONTRACTOR within 30 days following receipt of a correct invoice. Invoices are subject to audit and adjustment by DEPARTMENT before and after payment is made. Unless such invoice is subjected to a special review or audit, DEPARTMENT will make every effort to pay CONTRACTOR or provide written explanation of exception, within 15 days of DEPARTMENT receiving a correct invoice.
- c. The per diem rate and other identified payments for specific services and/or staffing constitutes the exclusive payment by DEPARTMENT for the provision of all services required herein and shall remain in effect until changed by mutual agreement of both parties, except as otherwise specifically provided in this Contract.
- d. CONTRACTOR must follow ACCD 1.1.700 Compliance Monitoring. DEPARTMENT may withhold payments to CONTRACTOR in an amount equal to the additional costs to the DEPARTMENT or \$1,000.00 per month, whichever is greater, for failure to perform in accordance with the terms of this Agreement. However, prior to withholding payment, DEPARTMENT shall notify CONTRACTOR [and the MFFA (hereinafter defined, and if facility is financed by MFFA)], in writing, of its failure to perform. The notice shall specify acts or omissions constituting the default. If CONTRACTOR fails to remedy the default or submit an action plan deemed acceptable by DEPARTMENT within 60 calendar days of receipt of notice [documented by certified mail] DEPARTMENT may withhold payments. DEPARTMENT may allow CONTRACTOR additional time, as appropriate, provided CONTRACTOR demonstrates a good faith effort to achieve compliance.
- e. The Contract number must be referenced on all invoices and correspondence pertaining to this Contract.
- f. CONTRACTOR shall maintain a male population consistency of 50% institutional offenders based on a 95% occupancy rate of total contracted male beds. To determine the male offender population consistency percentage, only male resident beds will be considered. Transitional Living and Enhanced Supervision will not be included in this figure. DEPARTMENT will conduct random audits to determine if CONTRACTOR is maintaining a male population consistency of 50% institutional offenders based on a 95% occupancy rate. If the institutional offender population consistency falls below 50% of the occupancy rate for three (3) consecutive months, with adequate referrals from the DEPARTMENT, DEPARTMENT will deduct 2% off the current per diem rate on the fourth month to continue on a month to month basis until CONTRACTOR regains the required population consistency. If it is determined DEPARTMENT is not providing at least 50% institutional

referrals, CONTRACTOR will not be penalized.

- g. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay extends beyond 200 days unless specifically authorized and approved in writing by the PRC Contract Manager or designee, prior to the expiration of the 200-day period.
- h. Not applicable.

3. Bonding (If financed with MFFA)

In order to provide financing of CONTRACTOR'S prerelease center facility and improvements to such facility in November, 1997 CONTRACTOR requested the issuance of \$2,925,000 in tax-exempt bonds (the "Series 1997 Bonds") by the Montana Health Facility Authority (currently known as the Montana Facility Finance Authority and referred to herein as "MFFA") and a loan of the proceeds of the Series 1997 Bonds to CONTRACTOR pursuant to Montana Code Annotated Sections 90-7-226 through 228. As security for the Series 1997 Bonds, the MFFA required a written contract for services between CONTRACTOR and DEPARTMENT, which was executed October 21, 1997 and approved by MFFA pursuant to Section 90-7-226(1) MCA (the "October 1997 Contract"). The October 1997 Contract (as amended) required DEPARTMENT to commit to the following provisions during the term of the Bonds (and DEPARTMENT hereby ratifies these commitments in this contract):

- a. Payment by DEPARTMENT for additional reimbursement for the cost of the new facility and the maintenance of a 115% debt service coverage for the Bonds. In addition, DEPARTMENT will review the CONTRACTOR'S yearly (audited) and quarterly (unaudited) financial statements (which the CONTRACTOR agrees to timely provide to DEPARTMENT for such review) to determine compliance with the Debt Service Coverage Requirement; and
- b. guaranty of payment by DEPARTMENT for 75% of the contracted bed space. The amount of payment is designed to cover CONTRACTOR'S fixed costs for a guaranteed 75% of contracted bed space.
- c. As part of the compensation and deducted monthly from DEPARTMENT'S regular payments to CONTRACTOR, by August 15th of each year, DEPARTMENT shall pay, on behalf of CONTRACTOR, to U.S. Bank National Association, as Trustee (the "Trustee") of the Bonds under an Indenture of Trust dated as of November 1, 1997, (the "Indenture"), the following amounts:
 - i. the principal of and interest on the Bonds coming due in the following 12 months;
 - ii. the Program Expenses (as defined in the Indenture);
 - iii. any amounts necessary to make the Reserve Fund equal to the Reserve Requirement (as defined in the Indenture);
 - iv. any amounts due under a Capital Reserve Account Agreement between the MFFA and the Board of Investments (as defined in the Indenture); and
 - v. any amounts necessary to be paid into the Rebate Fund (as defined in the Indenture); less any funds accumulated in the Bond Fund (as defined in the Indenture).

- d. The parties hereto agree that the provisions of the Sections G(1) through G(2) above are not intended to replace or conflict with the commitments stated in this Section G(3). CONTRACTOR agrees to use its best efforts to provide bed space to maintain the occupancy and population consistency rates for DEPARTMENT referrals as described in Section G (2)(f).
- e. If CONTRACTOR requests additional financing from MFFA for a prerelease center project through the issuance of additional bonds issued under the Indenture and secured with the Bonds, on a parity basis, by the provisions of this contract, then the commitments of DEPARTMENT referenced in Section G(3)(d) shall also apply to such additional bonds.
