Once the total amount available has been expended, no additional payments will be made. This funding will no longer be available after June 30, 2025. These funds are not included in the overall contract max. As a part of contract monitoring processes, the department may request access to payroll records at any time, for any employee, for the purpose of verifying the raise was provided. Should sufficient funding be available, hourly wage increases in excess of the dollar amounts listed above are allowed, provided that priority is given to employees making less than \$75,000 per year. These funds may only be used for wage increases and the associated employee benefits. They may not be used for bonuses or other operating expenses.

- B. Connections Corrections Program (CCP). Those cases where the offender was referred to CCP directly from the community or a Non-Institutional setting.

- C. Treasure State Correctional Training Center (TSCTC). Those cases where the offender was referred to TSCTC directly from the community or a Non-Institutional setting.
- D. Sanction, Treatment, Assessment, Revocation, and Transition Program (START). If an offender from your center is sanctioned to START and was originally received at your center as a Non-Institutional offender, they will remain Non-Institutional upon their return.

10. This sub-section was deleted in Amendment #1.

~~11. From July 1, 2007 through June 30, 2008, should CONTRACTOR maintain a bed occupancy rate of 90% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting, DEPARTMENT will pay CONTRACTOR a per diem rate of \$58.33 per offender, per day for male offenders referred from an "institutional" setting and \$53.08 per offender per day for males from a "non-institutional" setting and \$73.49 per female offender per day.~~

~~12. From July 1, 2007 through June 30, 2008, should CONTRACTOR maintain a bed occupancy rate of 95% and an offender population consisting of at least 50% and no more than 65% from an "institutional" setting, DEPARTMENT will pay CONTRACTOR a per diem rate of \$60.44 per offender, per day for male offenders from an "institutional" setting and \$53.08 per offender, per day, for male offenders from a "non-institutional" setting and \$73.49 per offender per day for female offenders.~~

~~13. Beginning July 1, 2008 and ending June 30, 2009, if CONTRACTOR does not meet the minimum requirements of a 90-95% bed occupancy rate per month, or maintenance of a male~~

~~offender population consisting of no less than 50% nor more than 65% from an "institutional" setting per month, DEPARTMENT will pay CONTRACTOR a per diem rate of at least \$55.21 per offender, per day for male offenders from both an "institutional" and "non-institutional" setting and \$74.96 per offender per day for female offenders. \*NOTE: Should CONTRACTOR'S "institutional" offender population ever exceed 65% of their total capacity during FY 2009, CONTRACTOR will not be penalized for this, however, a higher per diem rate will only be paid for up to 65% and not above.~~

~~14. Fiscal Year 2009 (July 1, 2008 through June 30, 2009), should CONTRACTOR maintain a bed occupancy rate of 90% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting per month, DEPARTMENT will pay CONTRACTOR a per diem rate of \$59.50 per offender, per day for male offenders from an "institutional" setting and \$54.14 per offender, per day for male offenders from a "non-institutional" setting and \$74.96 per offender per day for female offenders.~~

~~15. Fiscal Year 2009 (July 1, 2008 through June 30, 2009), should CONTRACTOR maintain a bed occupancy rate of 95% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting per month, DEPARTMENT will pay CONTRACTOR a per diem rate of \$61.64 per offender, per day for male offenders from an "institutional" setting and \$54.14 per offender, per day for male offenders from a "non-institutional" setting and \$74.96 per offender, per day for female offenders.~~

16. CONTRACTOR shall maintain a male population consistency of 50% institutional offenders based on a 95% occupancy rate of total contracted male beds. To determine the bed occupancy percentage, female beds, Transitional Living services, and Enhanced Supervision beds, will not be included in this figure or in the offender population consistency percentage. Only male beds will be considered. CONTRACTOR will determine appropriate per diem pay plan to bill each month, and note this on its monthly invoice. DEPARTMENT will conduct random audits of CONTRACTOR'S monthly billing invoice. DEPARTMENT shall make adequate referrals to CONTRACTOR to allow CONTRACTOR to maintain a male bed occupancy rate of 95%. To determine the male offender population consistency percentage, only male resident beds will be considered. Transitional Living and Enhanced Supervision will not be included in this figure. DEPARTMENT will conduct random audits to determine if CONTRACTOR is maintaining a male population consistency of 50% institutional offenders based on a 95% occupancy rate. If the institutional offender population consistency falls below 50% of the occupancy rate for three (3) consecutive months, with adequate referrals from DEPARTMENT, DEPARTMENT will deduct 2% off the current per diem rate on the fourth month to continue on a month to month basis until CONTRACTOR regains the required population consistency. If it is determined DEPARTMENT is not providing at least 50% institutional referrals, CONTRACTOR will not be penalized. The parties agree to arbitrate the issue of adequate referrals if it is raised by CONTRACTOR, pursuant to the arbitration provisions of this Agreement. DEPARTMENT shall pay CONTRACTOR at the rate CONTRACTOR alleges it would have been entitled to during the pendency of arbitration.

17. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay extends beyond ~~180~~ 200 days unless specifically authorized and approved in writing by the PRC Contract Programs Manager or designee prior to the expiration of the ~~180~~ 200-day period. For good cause shown, as determined in the sole discretion of the PRC Contract Programs Manager, exercised in good faith, DEPARTMENT may reimburse CONTRACTOR

beyond the ~~180~~ 200-day period. DEPARTMENT will assume custody of the offender at the end of the ~~180~~ 200-day period if DEPARTMENT and CONTRACTOR have not come to an alternative agreement.

#### 18-19. No Changes

20. The conditions of reimbursement outlined above are effective for Fiscal Years ~~2008 and 2009~~ 2011. CONTRACTOR retains the right to renegotiate for Fiscal Year ~~2010~~ 2012 with the guarantee that compensation by DEPARTMENT will not be less than compensation paid in Fiscal Year ~~2009~~ 2011, subject to availability of funding. While the parties are renegotiating CONTRACTOR'S compensation, DEPARTMENT shall continue to compensate CONTRACTOR at the same rate as the previous fiscal year. After renegotiations have concluded, DEPARTMENT shall compensate CONTRACTOR at the new compensation rate retroactive to the beginning of the fiscal year.
21. In order to provide financing of CONTRACTOR'S prerelease center facility and improvements to such facility in October, 1998 CONTRACTOR requested the issuance of \$5,580,000 in tax-exempt bonds (the "Bonds") by the Montana Health Facility Authority (currently known as the Montana Facility Finance Authority and referred to herein as "MFFA") and a loan of the proceeds of the Bonds to CONTRACTOR pursuant to Montana Code Annotated Sections 90-7-226 through 228. As security for the Bonds, the MFFA required a written contract for services between CONTRACTOR and DEPARTMENT, which was executed August 8, 1998 and approved by MFFA pursuant to Section 90-7-226(1) MCA (the "August 1998 Contract"). The August 1998 Contract required DEPARTMENT to commit to the following provisions during the term of the Bonds (and DEPARTMENT hereby ratifies these commitments in this contract):
  - a. Payment by DEPARTMENT for additional reimbursement for the cost of the new facility and the maintenance of a 115% debt service coverage for the MFFA Bonds. In order to determine compliance with the Debt Service Coverage Requirement, DEPARTMENT will review CONTRACTOR'S yearly (audited) financial statements and quarterly expense and revenue statements that include explanatory cover letters provided by CONTRACTOR'S accountant. CONTRACTOR agrees to provide DEPARTMENT with the quarterly statements within sixty (60) calendar days of the end of each quarter.
  - b. A guaranty of payment by DEPARTMENT for 75% of the contracted bed space. The amount of payment is designed to cover CONTRACTOR'S fixed costs for a guaranteed 75% of contracted bed space.
  - c. As part of the compensation and deducted monthly from DEPARTMENT'S regular payments to CONTRACTOR, on August 15<sup>th</sup> of each year, DEPARTMENT shall pay, on behalf of CONTRACTOR, to U.S. Bank National Association, as Trustee (the "Trustee") of the Bonds under an Indenture of Trust dated as of September 1, 1998, (the "Indenture"), the following amounts:
    - i. the principal of and interest on the Bonds coming due in the following 12 months;

- ii. the Program Expenses (as defined in the Indenture);
- iii. any amounts necessary to make the Reserve Fund equal to the Reserve Requirement (as defined in the Indenture);
- iv. any amounts due under a Capital Reserve Account Agreement between the MFFA and the Board of Investments (as defined in the Indenture); and
- v. any amounts necessary to be paid into the Rebate Fund (as defined in the Indenture); less any funds accumulated in the Bond Fund (as defined in the Indenture).

The parties hereto agree that the provisions of the Sections 3(1) through 3(20) above are not intended to replace or conflict with the commitments stated in this Section 3(21). CONTRACTOR agrees to use its best efforts to provide bed space to maintain the occupancy and population consistency rates for DEPARTMENT referrals as described in Sections 3(9) through 3(17) above.

22. No Changes

~~23. DEPARTMENT shall pay CONTRACTOR a one-time payment of \$2.00 (two and 00/100 dollars) per offender, per day, for actual population during the time period of October 1, 2007 through December 31, 2007 (92 days) for lost time not being able to charge the increased rate.~~

~~24. DEPARTMENT shall pay CONTRACTOR \$11.00 (eleven and 00/100 dollars) per offender, per day, for offenders placed under GPS monitoring by CONTRACTOR.~~

25. In addition to the daily per diem rate, DEPARTMENT will pay CONTRACTOR an additional \$11.00 per sex offender per day to cover the cost of additional services provided to sex offenders to include, but not be limited to, specialized case management, assistance with full or partial treatment costs, polygraph testing, and GPS monitoring to assist in their rehabilitation and transition to the community. To receive the \$11.00, CONTRACTOR must make a request for each applicable sex offender, to the PRC Contract Manager or designee, in writing. The written request must outline the specific services to be provided to the eligible sex offender and be submitted to and approved by DEPARTMENT prior to payment being received. Eligible sex offenders are defined as those offenders currently residing or participating in a prerelease center program for a sexual offense. CONTRACTOR may utilize up to eleven (11) beds, included within its current contract capacity, for this purpose, not to exceed \$44,165.00 in FY 2011. This additional money for sex offender services is also included in the total contract maximum amounts listed in Section 3(6) above.

26. DEPARTMENT shall pay CONTRACTOR for resident beds left temporarily vacant by offenders who are serving a sanction, and not a revocation, to the START Program and who will be returning to the prerelease center they were sanctioned from within a thirty (30) day time period. DEPARTMENT will not compensate CONTRACTOR for sanctions lasting longer than 30 days unless approved in writing by DEPARTMENT.

#### 4. TIME OF PERFORMANCE

This agreement shall take effect on July 1, 2005 and shall terminate on June 30, 2025. On or about March 1, 2007 and every two years thereafter during the term of this Agreement, the parties will meet to review the number of beds to be provided and the compensation rates described in Section 3

of this Agreement, as well as all other rates for services listed in this contract and, upon presentation of reasonable documentation, agree to amend the Agreement as necessary.

Upon expiration of this Contract, and in the absence of new written agreement, the terms listed herein shall continue to govern the agreement between the parties until such time as a new Contract is signed.

## 26. PREVAILING WAGE REQUIREMENTS

1. **Montana Resident Preference.** Unless superseded by federal law, Montana law requires that contractors and subcontractors give preference to the employment of Montana residents for any public works contract in excess of \$25,000 for construction or nonconstruction services in accordance with sections 18-2-401 through 18-2-432, MCA, and all administrative rules adopted in relation to these statutes. Unless superseded by federal law, each contractor shall ensure that at least 50% of a contractor's workers performing labor on a construction project are bona fide Montana residents.

The Commissioner of the Montana Department of Labor and Industry has established the resident requirements in accordance with sections 18-2-403 and 18-2-409, MCA. Any and all questions concerning prevailing wage and Montana resident issues should be directed to the Montana Department of Labor and Industry.

2. **Standard Prevailing Rate of Wages.** In addition, unless superseded by federal law, all employees working on a public works contract shall be paid prevailing wage rates in accordance with sections 18-2-401 through 18-2-432, MCA, and all associated administrative rules. Montana law requires that all public works contracts, as defined in section 18-2-401, MCA, in which the total cost of the contract is in excess of \$25,000, contain a provision stating for each job classification the standard prevailing wage rate, including fringe benefits, travel, per diem, and zone pay that the contractors, subcontractors, and employers shall pay during the public works contract.

The standard prevailing rate of wages paid to workers under any public works contract that, by the terms of the original contract, calls for more than 30 months to perform must be adjusted 12 months after the date of the award of the public works contract per section 18-2-417, MCA. The amount of the adjustment must be a 3% increase. The adjustment must be made and applied every 12 months for the term of the contract. This adjustment is the sole responsibility of the contractor and no cost adjustment in this contract will be allowed to fulfill this requirement.

Furthermore, section 18-2-406, MCA, requires that all contractors, subcontractors, and employers who are performing work or providing services under a public works contract post in a prominent and accessible site on the project staging area or work area, no later than the first day of work and continuing for the entire duration of the contract, a legible statement of all wages and fringe

benefits to be paid to the employees in compliance with section 18-2-423, MCA.

Section 18-2-423, MCA, requires that employees receiving an hourly wage must be paid on a weekly basis. Each contractor, subcontractor, and employer must maintain payroll records in a manner readily capable of being certified for submission under section 18-2-423, MCA, for not less than three years after the contractor's, subcontractor's, or employer's completion of work on the public works contract.

All contractors and employers shall classify each employee who performs labor on a public works project according to the applicable standard prevailing rate of wages for such craft, classification, or type of employee established by the Commissioner of the Montana Department of Labor and Industry, and shall pay each such employee a rate of wages not less than the standard prevailing rate as specified in the Montana Prevailing Wages Rates for Nonconstruction Services 2009. The booklet containing these 2009 rates is attached to this Contract and made a part thereof by reference. This information is also available electronically at the following address: <http://erd.dli.state.mt.us/laborstandard/wagehrprevail.asp>.

3. Disagreement regarding public works contract. DEPARTMENT has included the above language because it believes this contract is a public works contract under Montana law and CONTRACTOR must pay appropriate employees the standard prevailing wage. CONTRACTOR disagrees with DEPARTMENT'S view. By including sections 26.1 and 26.2 above, CONTRACTOR does not waive any right it may have to not pay standard prevailing wages and contest DEPARTMENT'S position. CONTRACTOR acknowledges that under § 18-2-407, MCA, an employer who pays employees at less than the standard prevailing wage may be subject to forfeitures and penalties.

**{The remainder of this page intentionally left blank.}**

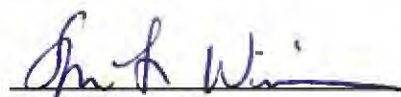

This constitutes the Amendment to the Contract. All other provisions contained in the original Contract, as amended, shall remain unchanged.

After due consideration and discussion, the committee must decide to admit or deny an offender through mutual agreement between a majority of committee members, except in cases where a unanimous vote is required by CONTRACTOR policy. The screening committee shall have the final determination regarding admission of any candidate to the center. Each committee member shall have one vote. #### **E. OFFENDER MISCONDUCT & REMOVAL FROM FACILITY**

1. CONTRACTOR shall provide to each offender at orientation a written agreement setting forth all rules, conditions, and procedures governing the offender's residency at the facility.
2. Disciplinary Procedures

- a. Pursuant to DOC 3.4.1, Adult Institutional Discipline and P&P 140-1, Adult Offender Discipline and Disciplinary Hearings (attached and incorporated herein by reference), if offender is alleged to have violated his furlough or residency agreement or the rules of the facility, CONTRACTOR shall serve the offender with written notice of the allegation and immediately forward a copy to the Probation & Parole Officer II or designee assigned to conduct hearings for the Facility ("hearing officer").

Within five (5) working days if the offender is incarcerated and ten (10) working days if he is not, the hearing officer shall conduct a hearing to determine whether the allegation is true, and if so, whether to impose a penalty, including whether the offender should remain in the Facility. The hearing officer shall then provide a written disposition to the offender, including, if applicable, the reasons for removal of the offender from the program. CONTRACTOR will submit a monthly report to DEPARTMENT, outlining all offenders that have received class I and II violations resulting in a hearing that month, including the disposition of each hearing.

The appeal hearing officer will review the decision to determine if the appropriate procedure was followed in the disciplinary matter and if appropriate findings of fact were made. The appeal hearing officer will also review the determination on disposition of the offender. The standard of review will be whether the facility clearly did not follow appropriate procedure in the disciplinary matter or that the findings of fact were clearly erroneous. If the appeal hearing officer determines the findings of fact were clearly erroneous or the facility clearly did not follow appropriate procedure in the disciplinary matter, the appeal hearing officer may reinstate the offender and CONTRACTOR agrees to reinstate the offender at the Facility at the next available opening. If the appeal hearing officer determines the disposition is not proportionate to the offense, or if through the appeal process it is determined that the offender should be reinstated contrary to the recommendation of CONTRACTOR, CONTRACTOR may appeal the decision of the appeal hearing officer by submitting a letter articulating the reasons for the appeal and stating why a placement back to CONTRACTOR'S facility is not appropriate. This letter must be submitted within seven (7) working days following the hearing. The appeal hearing officer has thirty (30) calendar

days to make a ruling on this appeal. If the appeal hearing officer still believes the offender should be reinstated contrary to the recommendation of CONTRACTOR, CONTRACTOR must re-screen the offender through the local facility screening committee according to the terms of this agreement. During the screening process, the offender will remain in the custody of the local detention facility until a determination is made by the committee. If deemed appropriate, subject to screening and approval procedures, the Administrator may also recommend placement of an offender in an alternative placement.

### 3. Detention

- a. In the case of controlling an offender's threatening or harmful behavior, the Probation & Parole Officer II, or other designee of DEPARTMENT, may authorize an offender's placement for a specified duration in the county detention center. If CONTRACTOR is unable to contact the PO II or designee, CONTRACTOR may place the offender in the county detention center pursuant to a pre-signed warrant. CONTRACTOR shall inform the PO II or designee of the detention placement by 8:00 a.m. the next business day.
- b. In such cases, the cost of the offender's detention will be borne by the offender. CONTRACTOR will establish procedures to inform offenders of this potential cost. When an offender does not reimburse CONTRACTOR for detention costs, DEPARTMENT will reimburse CONTRACTOR for said detention costs.
- c. Per Diem - During an offender's detention placement, DEPARTMENT will continue payment to CONTRACTOR at the contracted per diem rate to allow CONTRACTOR to "hold" the bed until the offender's return. However, upon determination by DEPARTMENT Hearing Officer that the offender will be returned to prison from the County detention center, CONTRACTOR will discontinue receiving per diem payments for the offender and may immediately fill the bed with another offender.

4. Removal from Facility - Upon request by DEPARTMENT, CONTRACTOR will surrender custody of the offender to a designated officer of DEPARTMENT or law enforcement official. In the event that CONTRACTOR determines that the continued participation of an offender in the program presents an undue threat to community safety or will hinder the orderly operation of the program, CONTRACTOR may request an administrative transfer of that offender out of the facility. Upon request by CONTRACTOR, when such request is proportionate to the circumstances, DEPARTMENT will take custody of an offender through a designated officer of DEPARTMENT or law enforcement official. Under no circumstances will CONTRACTOR transfer any offender from the Facility until DEPARTMENT has authorized the transfer and made arrangements to take the offender into custody.

## F. FACILITY MANAGEMENT

1. CONTRACTOR shall provide offenders with an environment that complies with local, state, and federal health and safety laws and regulations and treatment goals. CONTRACTOR shall maintain records of inspections by local, state and federal

21. In order to provide financing of CONTRACTOR'S prerelease center facility and improvements to such facility in October, 1998 CONTRACTOR requested the issuance of \$5,580,000 in tax-exempt bonds (the "Bonds") by the Montana Health Facility Authority (currently known as the Montana Facility Finance Authority and referred to herein as "MFFA") and a loan of the proceeds of the Bonds to CONTRACTOR pursuant to Montana Code Annotated Sections 90-7-226 through 228. The August 1998 Contract required DEPARTMENT to commit to the following provisions during the term of the Bonds (and DEPARTMENT hereby ratifies these commitments in this contract):

    - iii. any amounts necessary to make the Reserve Fund equal to the Reserve Requirement (as defined in the Indenture);
    - iv. any amounts due under a Capital Reserve Account Agreement between the MFFA

- and the Board of Investments (as defined in the Indenture); and
- v. any amounts necessary to be paid into the Rebate Fund (as defined in the Indenture); less any funds accumulated in the Bond Fund (as defined in the Indenture).

The parties hereto agree that the provisions of the Sections 3(1) through 3(20) above are not intended to replace or conflict with the commitments stated in this Section 3(21).
