No contractual relationships exist between any subcontractor and State under this Contract.

9. DEFENSE, INDEMNIFICATION / HOLD HARMLESS

Contractor shall defend, indemnify and hold harmless the State of Montana and the contracting agency hereunder and their elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, from and against all claims, demands, causes of action, liabilities, damages, judgments, expenses or fees, including the reasonable cost of defense thereof and attorney fees, arising or awarded in favor of Contractor's or its subcontractor's employees or agents or third parties for bodily or personal injuries, death, damage to property, or financial or other loss resulting or allegedly resulting in whole or part from (i) the services performed or products provided or (ii) other acts or omissions of Contractor and/or its agents, employees, representatives, assigns, subcontractors, except the sole negligence of State.

10. REQUIRED INSURANCE

10.1 General Requirements. Contractor will maintain for the duration of this Contract, at its cost and expense, insurance against claims for injuries to persons or damages to property, including contractual liability, which may arise from or in connection with the performance of the work by Contractor, agents, employees, representatives, assigns, or subcontractors. This insurance will cover such claims as may be caused by any negligent act or omission.

10.2 Primary Insurance. Contractor's insurance coverage will be primary insurance with respect to State, its officers, officials, employees, and volunteers and will apply separately to each project or location. Any insurance or self-insurance maintained by State, its officers, officials, employees, or volunteers will be excess of Contractor's insurance and will not contribute with it.

10.3 Specific Requirements for Commercial General Liability. Contractor will purchase and maintain occurrence coverage with combined single limits for bodily injury, personal injury, and property damage of **\$1,000,000** per occurrence and **\$2,000,000** aggregate per year to cover such claims as may be caused by any act, omission, or negligence of Contractor or its officers, agents, representatives, assigns, or subcontractors.

Such insurance must cover, at a minimum, privacy notification costs, credit monitoring, forensics investigations, legal fees/costs, regulatory fines and penalties, and third party liability settlements or judgements as may be caused by any act, omission, or negligence of the Contractor's officers, agents, representatives, assigns or subcontractors. Note: If occurrence coverage is unavailable or cost-prohibitive, the State will accept 'claims made' coverage provided the following conditions are met: 1) the retroactive date must be shown, and must be before the date of the contract or the beginning of contract work; 2) insurance must be maintained and evidence of insurance must be provided for at least three (3) years after completion of the contract of work; and 3) if coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective date, the Contractor must purchase "extended reporting" coverage for a minimum of three (3) years after completion of work.

11. LICENSURE

Contractor agrees to provide the State with copies of appropriate current licenses issued under Title 37 of the Montana Code Annotated for all persons performing services under this Contract, prior to services stated herein being provided.

12. COMPLIANCE WITH WORKERS' COMPENSATION ACT

Contractor will comply with the Prison Rape Elimination Act 34 U.S.C. § 30301 et seq., the Prison Rape Elimination Act final rule 28 CFR Part 115, and MDOC Policy 1.1.17, Prison Rape Elimination Act to include incident reporting. State has a zero-tolerance policy as to incidents of sexual assault/rape or sexual misconduct in its correctional facilities or premises. Contractor is referred to § 45-5-501 MCA. Any subletting or subcontracting by Contractor subjects subcontractors to the same provisions. In accordance with § 49-3-207, MCA, and State of Montana Executive Order No. 04-2016, Contractor agrees that the hiring of persons to perform this Contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this Contract.

13.2 Affordable Care Act. The Affordable Care Act requires a Contractor, if Contractor is an applicable large employer under the ACA, to provide healthcare coverage for its employees who provide services for the State and work for 30 or more hours per week. This coverage must also cover the eligible employee's dependents under the age of 26. The coverage must (a) meet the minimum essential coverage, minimum value, and affordability requirements of the employer responsibility provisions under Section 4980H of the Code (ACA), and (b) otherwise satisfy the requirements of the Code § 4980H (ACA).

14. DISABILITY ACCOMMODATIONS

State does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals who need aids, alternative document formats, or services for effective communications or other disability related accommodations in the programs and services offered are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

15. REGISTRATION WITH THE SECRETARY OF STATE

Any business intending to transact business in Montana must register with the Secretary of State. Businesses that are domiciled in another state or country, but which are conducting activity in Montana, must determine whether they are transacting business in Montana in accordance with §§ 35-14-1505, 35-8-1001, and 35-12-1309 MCA. Such businesses may want to obtain the guidance of their attorney or accountant to determine whether their activity is considered transacting business.

If businesses determine that they are transacting business in Montana, they must register with the Secretary of State and obtain a certificate of authority to demonstrate that they are in good standing in Montana. §§ 35-8-1001, 35-12-1302, and 35-14-1502, MCA. To obtain registration materials, call the Office of the Secretary of State at (406) 444-3665, or visit their website at <http://sosmt.gov>.

16. INTELLECTUAL PROPERTY/OWNERSHIP

16.1 Mutual Use. Contractor will make available to State, on a royalty-free, non-exclusive basis, all patent and other legal rights in or to inventions first conceived and reduced to practice or created in whole or in part under this Contract, if such availability is necessary for State to receive the benefits of this Contract. Unless otherwise specified in a statement of work, both parties will have a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use copyrightable property created under this Contract. This mutual right includes (i) all deliverables and other materials, products, or modifications that Contractor has developed or prepared for State under this Contract; (ii) any program code, or site-related program code that Contractor has created, developed, or prepared under or primarily in support of the performance of its specific obligations under this Contract; and (iii) manuals, training materials, and documentation. All information described in (i), (ii), and (iii) is collectively called the “Work Product”.

16.2 Title and Ownership Rights. State retains title to and all ownership rights in all data and content, including but not limited to multimedia or images (graphics, audio, and video), text, and the like provided by State (the “Content”), but grants Contractor the right to access and use Content for the purpose of complying with its obligations under this Contract and any applicable statement of work.

16.3 Ownership of Work Product. Contractor will execute any documents or take any other actions as may reasonably be necessary, or as State may reasonably request, to perfect State’s ownership of any Work Product.

16.4 Copy of Work Product. Contractor will, at no cost to State, deliver to State, upon State’s request during the term of this Contract or at its expiration or termination, a current copy of all Work Product in the form and on the media in use as of the date of State’s request, or such expiration or termination.

16.5 Ownership of Contractor Pre-Existing Materials. Contractor retains ownership of all literary or other works of authorship (such as software programs and code, documentation, reports, and similar works), information, data, intellectual property, techniques, subroutines, algorithms, methods or related rights and derivatives that Contractor owns at the time this Contract is executed or otherwise developed or acquired independent of this Contract and employed by Contractor in connection with the services provided to State (the “Contractor Pre-existing Materials”). Contractor Pre-existing Materials are not Work Product. Contractor will provide full disclosure of any Contractor Pre-existing Materials to State before its use and to prove its ownership. If, however, Contractor fails to disclose to State such Contractor Pre-existing Materials, Contractor will grant State a nonexclusive, worldwide, paid-up license to use any Contractor Pre-existing Materials embedded in the Work Product to the extent such Contractor Pre-existing Materials are necessary for State to receive the intended benefit under this Contract. Such license will remain in effect for so long as such Pre-

Existing Materials remain embedded in the Work Product. Except as otherwise provided for in **Section 16.3, Ownership of Work Product**, or as may be expressly agreed in any statement of work, Contractor will retain title to and ownership of any hardware it provides under this Contract.

17. CONTRACT TERMINATION

17.1 State Termination for Cause with Notice to Cure Requirement. State may terminate this Contract in whole or in part for Contractor's failure to materially perform any of the services, duties, terms, or conditions contained in this Contract after giving Contractor written notice of the stated failure. The written notice must demand performance of the stated failure within a specified period of time of not less than **30** days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

17.2 State Termination for Convenience. State may, by written notice to Contractor, terminate this Contract without cause and without incurring liability to Contractor. State will give notice of termination to Contractor at least **30** days before the effective date of termination. State will pay Contractor only that amount, or prorated portion thereof, owed to Contractor up to the date State's termination takes effect. This is Contractor's sole remedy. State will not be liable to Contractor for any other payments or damages arising from termination under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

17.3 Contractor Termination for Cause with Notice to Cure Requirement. Contractor may terminate this Contract for State's failure to perform any of its duties under this Contract after giving State written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than **30** days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

17.4 Reduction of Funding. State must, by law, terminate this Contract if funds are not appropriated or otherwise made available to support State's continuation of performance of this Contract in a subsequent fiscal period. (§ 18-4-313(4), MCA). If state or federal government funds are not appropriated or otherwise made available through the state budgeting process to support continued performance of this Contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, State will terminate this Contract as required by law. State will provide Contractor the date State's termination will take effect. State will not be liable to Contractor for any payment that would have been payable had the Contract not been terminated under this provision. As stated above, State will be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date State's termination takes effect. This is Contractor's sole remedy. State will not be liable to Contractor for any other payments or damages arising from termination under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

17.5 Right of Assurance. If State, in good faith, has reason to believe that Contractor does not intend to, is unable to, or has refused to perform or continue performing all material obligations under this Contract, State may demand in writing that Contractor give a written assurance of intent to perform. Contractor's failure to provide written assurance within the number of days specified in the demand (in no event less than five business days) may, at State's option, be the basis for terminating this Contract and pursuing the rights and remedies available under this Contract or law.

18. EVENT OF BREACH – REMEDIES

18.1 Event of Breach by Contractor. Any one or more of the following Contractor acts or omissions constitute an event of material breach under this Contract:

- Products or services furnished fail to conform to any requirement;
- Failure to submit any report required by this Contract;
- Failure to perform any of the other terms and conditions of this Contract;
- Beginning work under this Contract without prior State approval or breaching Section 23.1, Technical or Contractual Problems, obligations; or
- Voluntary or involuntary bankruptcy or receivership.

18.2 Event of Breach by State. State's failure to perform any material terms or conditions of this Contract constitutes an event of breach.

18.3 Actions in Event of Breach. Upon Contractor's material breach, State may:

- Terminate this Contract under Section 17.1, State Termination for Cause with Notice to Cure Requirement and pursue any of its remedies under this Contract, at law, or in equity; or
- Treat this Contract as materially breached and pursue any of its remedies under this Contract, at law, or in equity.

Upon State's material breach, Contractor may:

- Terminate this Contract under Section 17.3, Contractor Termination for Cause with Notice to Cure Requirement, and pursue any of its remedies under this Contract, at law, or in equity; or
- Treat this Contract as materially breached and, except as the remedy is limited in this Contract, pursue any of its remedies under this Contract, at law, or in equity.

19. FORCE MAJEURE

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition will provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, will the notice be provided later than five working days after the onset. If the notice is not provided within the five-day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this Contract, unless the parties mutually agree that the obligation is excused because of the condition.

20. WAIVER OF BREACH

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

21. CONFORMANCE WITH CONTRACT

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the Contract will be granted without the State prior written consent. Product or services provided that do not conform to the Contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

22. LIAISONS AND SERVICE OF NOTICES

22.1 Contract Liaisons. All project management and coordination on State's behalf must be through a single point of contact designated as State's liaison. Contractor will designate a liaison that will provide the single point of contact for management and coordination of Contractor's work. All work performed under this Contract must be coordinated between State's liaison and Contractor's liaison.

22.3 Notifications. State's liaison and Contractor's liaison may be changed by written notice to the other party. Written notices, requests, or complaints must first be directed to the liaison. Notice may be provided by personal service, email, mail, or facsimile. If notice is provided by personal service, email, or facsimile, the notice is effective upon receipt; if notice is provided by mail, the notice is effective on the third business day after mailing.

23. MEETINGS

23.1 Technical or Contractual Problems. Contractor will meet with State's personnel, or designated representatives, to resolve technical or contractual problems occurring during the Contract term or to discuss the progress made by Contractor and State in the performance of their respective obligations, at no additional cost to the State. State may request the meetings as problems arise and will be coordinated by State. State will provide Contractor a minimum of three full working days' notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the Contract.

23.2 Failure to Notify. If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by State, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor will not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

23.3 State's Failure or Delay. For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of State's failure or delay in discharging any State obligation, State will review same and determine if such problem or circumstance was in fact the result of such failure or delay. If State agrees as to the cause of such problem or circumstance, then the parties will extend any deadlines or due dates affected thereby and provide for any additional charges by Contractor. This is Contractor's sole remedy. If State does not agree as to the cause of such problem or circumstance, the parties will each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

24. TRANSITION ASSISTANCE

If this Contract is not renewed at the end of this term, if the Contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor will provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this Contract or particular work under this Contract. The purpose of this assistance is to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to State or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to such transition assistance. State will pay Contractor for any resources utilized in performing such transition assistance at the most current Contract rates. If State terminates a project or this Contract for cause, then State may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages State may have sustained as a result of Contractor's breach.

25. CHOICE OF LAW AND VENUE

Montana law governs this Contract. The parties agree that any litigation concerning this bid, proposal, or this Contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party will pay its own costs and attorney fees, except as provided in Section 9, Defense, Indemnification/Hold Harmless.

26. TAX EXEMPTION

State of Montana is exempt from Federal Excise Taxes (#81-0302402) except as otherwise provided in the federal Patient Protection and Affordable Care Act 42 U.S.C. § 18001 et seq.

27. PERSONAL PROPERTY TAX

All personal property taxes will be paid by Contractor.

28. AUTHORITY

This Contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

29. SEVERABILITY

A declaration by any court or any other binding legal source that any provision of the Contract is illegal and void will not affect the legality and enforceability of any other provision of the Contract, unless the provisions are mutually and materially dependent.

30. PARAGRAPH HEADINGS

The captions and headings set forth in this Contract are for convenience of reference only and will not be construed so as to define or limit the terms and provisions hereof.

31. SCOPE, ENTIRE AGREEMENT, AND AMENDMENT

32. WAIVER
