MEMO

To: Montana Women's Prison Visitors

From: Warden Katie Weston

Date: July 11, 2025

Subject: All MWP visits must be scheduled online (starts Aug. 1, 2025)

MESSAGE

As of Aug. 1, 2025, all visits at Montana Women's Prison must be scheduled online in advance using the ICSolutions scheduling system. After that date, anyone arriving at the facility without a scheduled visit will be turned away. In an effort to ease that transition, approved visitors may begin scheduling their visits online on July 14, 2025.

To schedule a visit online, access the system at www.icsolutions.com. New users must create an account using the instructions on the website. The visitation scheduling system may also be accessed from the DOC website (www.cor.mt.gov) from the In-Person Visitation page in the "Friends and Family" section.

This change will enhance safety and security for staff members, inmates, and visitors. Thank you for your cooperation.
