8. REQUIRED INSURANCE

8.1 General Requirements. Contractor shall maintain for the duration of this Contract, at its cost and expense, insurance against claims for injuries to persons or damages to property, including contractual

In accordance with 49-3-207, MCA, and Executive Order No. 04-2016 Contractor agrees that the hiring of persons to perform this Contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this Contract.

12.2 Affordable Care Act. The Affordable Care Act requires a Contractor, if Contractor is an applicable large employer under the ACA, to provide healthcare coverage for its employees who provide services for the State and work for 30 or more hours per week. Individuals who need aids, alternative document formats, or services for effective communications or other disability related accommodations in the programs and services offered are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

14. REGISTRATION WITH THE SECRETARY OF STATE

Any business intending to transact business in Montana must register with the Secretary of State. Businesses that are domiciled in another state or country, but which are conducting activity in Montana, must determine whether they are transacting business in Montana in accordance with 35-1-1026 and 35-8-1001, MCA. Such businesses may want to obtain the guidance of their attorney or accountant to determine whether their activity is considered transacting business.

15. INTELLECTUAL PROPERTY/OWNERSHIP

15.1 Ownership of Work Product. Contractor shall execute any documents or take any other actions as may reasonably be necessary, or as the Department may reasonably request, to perfect the Department's ownership of any Work Product.

15.2 Ownership of Contractor Pre-Existing Materials. Contractor retains ownership of all literary or other works of authorship (such as software programs and code, documentation, reports, and similar works), information, data, intellectual property, techniques, subroutines, algorithms, methods or related rights and derivatives that Contractor owns at the time this Contract is executed or otherwise developed or acquired independent of this Contract and employed by Contractor in connection with the services provided to the Department (the "Contractor Pre-existing Materials"). Contractor Pre-existing Materials are not Work Product. Contractor shall provide full disclosure of any Contractor Pre-Existing Materials to the Department before its use and to prove its ownership. If, however, Contractor fails to disclose to the Department such Contractor Pre-Existing Materials, Contractor shall grant the Department a nonexclusive, worldwide, paid-up license to use any Contractor Pre-Existing Materials embedded in the Work Product to the extent such Contractor Pre-Existing Materials are necessary for the Department to receive the intended benefit under this Contract. Such license shall remain in effect for so long as such Pre-Existing Materials remain embedded in the Work Product. Except as otherwise provided for in Section 15.1 or as may be expressly agreed in any statement of work, Contractor shall retain title to and ownership of any hardware it provides under this Contract.

16. CONTRACT TERMINATION

16.1 Termination for Cause with Notice to Cure Requirement. The Department may terminate this Contract in whole or in part for Contractor's failure to materially perform any of the services, duties, terms, or conditions contained in this Contract after giving Contractor written notice of the stated failure. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days.

If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

16.2 Termination for Cause with Notice to Cure Requirement. Contractor may terminate this Contract for the Department's failure to perform any of its duties under this Contract after giving the Department written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

16.3 Reduction of Funding. The Department must, by law, cancel this Contract if funds are not appropriated or otherwise made available to support the Department's continuation of performance of this Contract in a subsequent fiscal period. (18-4-313(4), MCA.) If state or federal government funds are not appropriated or otherwise made available through the Department budgeting process to support continued performance of this Contract (whether at an initial Contract payment level or any Contract increases to that initial level) in subsequent fiscal periods, the Department shall cancel this Contract as required by law. The Department shall provide Contractor the date the Department's cancelation shall take effect. The Department shall not be liable to Contractor for any payment that would have been payable had the Contract not been canceled under this provision. As stated above, the Department shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date the Department's cancelation takes effect. This is Contractor's sole remedy. The Department shall not be liable to Contractor for any other payments or damages arising from cancelation under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

Juanita Nelson, LAC
Contract # COR-SVCS-2019-0234-PPD
Contracting Authority: 18-4-132, MCA

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five-day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this Contract, unless the parties mutually agree that the obligation is excused because of the condition.

19. WAIVER OF BREACH

Either party's failure to enforce any Contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

20. CONFORMANCE WITH CONTRACT

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the Contract shall be granted without the Department's Contracts Management Bureau's prior written consent. Product or services provided that do not conform to the contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

21.3 Notifications. The Department's and Contractor's Liaisons and Contract Managers may be changed by written notice to the other party. Written notices, requests, or complaints must first be directed to the Liaison. Notice may be provided by personal service, mail, or E-mail. If notice is provided by personal

service or E-mail, the notice is effective upon receipt; if notice is provided by mail, the notice is effective three business days after mailing. A signed and dated acknowledgement of the notice is required of both parties.

22. MEETINGS

22.1 Technical or Contractual Problems. Contractor shall meet with the Department's personnel, or designated representatives, to resolve technical or contractual problems occurring during the Contract term or to discuss the progress made by Contractor and the Department in the performance of their respective obligations, at no additional cost to the Department. The Department may request the meetings as problems arise and will be coordinated by the Department. The Department shall provide Contractor a minimum of three full working days' notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the Contract.

22.2 Failure to Notify. If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by the Department, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

22.3 Department's Failure or Delay. For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of the Department's failure or delay in discharging any Department obligation, the Department shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If the Department agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby and provide for any additional charges by Contractor. This is Contractor's sole remedy. If the Department does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

23. TRANSITION ASSISTANCE

If this Contract is not renewed at the end of this term, if the Contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor shall provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this Contract or particular work under this Contract. The purpose of this assistance is to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to the Department or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to such transition assistance. The Department shall pay Contractor for any resources utilized in performing such transition assistance at the most current Contract rates. If the Department terminates a project or this Contract for cause, then the Department may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages the Department may have sustained as a result of Contractor's breach.

24. CHOICE OF LAW AND VENUE

Montana law governs this Contract. The parties agree that any litigation concerning this Contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.

25. TAX EXEMPTION

The State of Montana is exempt from Federal Excise Taxes (#81-0302402), except as otherwise provided in the federal Patient Protection and Affordable Care Act [P.L. 111-148, 124 Stat. 119].

26. PERSONAL PROPERTY TAX

All personal property taxes will be paid by the Contractor.

27. AUTHORITY

This Contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, Chapter 5.

28. SEVERABILITY CLAUSE

A declaration by any court or any other binding legal source that any provision of the Contract is illegal and void shall not affect the legality and enforceability of any other provision of the Contract, unless the provisions are mutually and materially dependent.
