**1. EFFECTIVE DATE, DURATION, AND RENEWAL**

**1.1 Contract Term.** The contract's initial term is upon contract execution through **06/30/2020**, unless terminated earlier as provided in this contract. In no event is this contract binding on the Department unless the Department's authorized representative has signed it. The legal counsel signature approving legal content of the contract does not constitute an authorized signature.

**1.2 Contract Renewal.** The Department may renew this contract under its then-existing terms and conditions (subject to potential cost adjustments described below in section 2) in one-year intervals, or any interval that is advantageous to the Department. This contract, including any renewals, may not exceed a total of seven (7) years.

**2. COST ADJUSTMENTS**

**2.1 Cost Increase by Mutual Agreement.** After the contract's initial term and if the Department agrees in writing to a renewal for a specified term, the parties may agree therein to a cost increase applicable to the renewal term. The Department is not obligated to agree upon a renewal or a cost increase. Any cost increases must be based on demonstrated industry-wide or regional increases in Contractor's costs. **3. SERVICES AND/OR SUPPLIES**

Contractor shall provide the Department the following:

- B. Department will not compensate Contractor for travel or travel time, lodging, meals, supplies, or any other expense incurred by Contractor while performing services identified within this Contract.

**5.2 Invoices.** Invoices must clearly show each evaluation performed by type, date, location, and list offender's name, and the appropriate Medicaid reimbursement code(s).

**5.3 Payment Terms.** The Department has 30 days to pay invoices, as allowed by 17-8-242, MCA. Contractor shall provide banking information at the time of Contract execution in order to facilitate the Department's electronic funds transfer payments.

**5.4 Reference to Contract.** The Contract number MUST appear on all invoices, packing lists, packages, and correspondence pertaining to the Contract. If the number is not provided, the Department is not obligated to pay the invoice.

**6. AGENCY ASSISTANCE**

To the extent possible, Contractor shall use its own equipment in providing the goods/services set forth in Section 3. However, the parties recognize that services provided to Department may occur within the confines of a secure correctional facility necessitating the use of Department facilities and equipment including, but not limited to, access to inmate records, work space within a correctional facility, and phone service (e.g., Montana State Prison does not allow cellular or digital phones within the facility).

**7. ACCESS AND RETENTION OF RECORDS**

**7.1 Access to Records.** Contractor shall provide the Department, Legislative Auditor, or their authorized agents access to any records necessary to determine contract compliance. The Department may terminate this contract under section 17, without incurring liability, for the Contractor's refusal to allow access as required by this section. (18-1-118, MCA.) The offender's protected health information (PHI) shall not be made accessible to Legislative Auditor Division without a HIPAA-compliant and a 42 CFR Part 2-compliant release signed by the offender.

**7.2 Retention Period.** Contractor shall create and retain all records supporting the services rendered for a period of eight years after either the completion date of this contract or termination of the contract.

**8. ASSIGNMENT, TRANSFER, AND SUBCONTRACTING**

Contractor may not assign, transfer, or subcontract any portion of this contract without the Department's prior written consent. (18-4-141, MCA) Contractor is responsible to the Department for the acts and omissions of all subcontractors or agents and of persons directly or indirectly employed by such subcontractors, and for the acts and omissions of persons employed directly by Contractor. No contractual relationships exist between any subcontractor and the Department under this contract.

**9. HOLD HARMLESS/INDEMNIFICATION**

Contractor agrees to protect, defend, and save State, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of Contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of Contractor and/or its agents, employees, representatives, assigns, subcontractors, except the sole negligence of State, under this Contract.

**10. REQUIRED INSURANCE**

**10.1 General Requirements.** Contractor shall maintain for the duration of this Contract, at its cost and expense, insurance against claims for injuries to persons or damages to property, including contractual liability, which may arise from or in connection with the performance of the work by Contractor, agents, employees, representatives, assigns, or subcontractors. This insurance shall cover such claims as may be caused by any negligent act or omission.

**10.2 Primary Insurance.** Contractor's insurance coverage shall be primary insurance with respect to the Department, its officers, officials, employees, and volunteers and shall apply separately to each project or location. Any insurance or self-insurance maintained by the Department, its officers, officials, employees, or volunteers shall be excess of Contractor's insurance and shall not contribute with it.

**10.5 Specific Requirements for Professional Liability.** Contractor shall purchase and maintain occurrence coverage with combined single limits for each wrongful act of \$300,000 per occurrence and \$600,000 aggregate per year to cover such claims as may be caused by any act, omission, negligence of Contractor or its officers, agents, representatives, assigns, or subcontractors. Note: If "occurrence" coverage is unavailable or cost prohibitive, Contractor may provide "claims made" coverage provided the following conditions are met: (1) the commencement date of this contract must not fall outside the effective date of insurance coverage and it will be the retroactive date for insurance coverage in future years; and (2) the claims made policy must have a three-year tail for claims that are made (filed) after the cancellation or expiration date of the policy.

**10.6 Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be declared to and approved by the Department. At the request of the Department either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Department, its officers, officials, employees, or volunteers; or (2) at the expense of Contractor, Contractor shall procure a bond guaranteeing payment of losses and related investigations, claims administration, and defense expenses.

**10.7 Certificate of Insurance/Endorsements.** A certificate of insurance from an insurer with a Best's rating of no less than A- indicating compliance with the required coverages has been received by the Department's Contracts Management Bureau, P.O. Box 201301, Helena, MT 59620-1301. Contractor must notify the Department immediately of any material change in insurance coverage, such as changes in limits,

coverages, change in status of policy, etc. The Department reserves the right to require complete copies of insurance policies at all times.

**10.8 Recommended Cyber/Data Information Security Insurance.** The Contractor acknowledges responsibility for loss or unauthorized acquisition of personal information it holds such as social security numbers, credit card numbers, financial account information, or other information that uniquely identifies an individual and may be of a sensitive nature in accordance with §2-6-1501, MCA through §2-6-1503, MCA. In absence of insurance coverage specific to this type of coverage, Contract assumes personal liability for any such information breaches.

**11. LICENSURE**

Contractor agrees to maintain on file at all times with the Department, a copy of Contractor's current professional/occupational license(s), registrations, and certifications required under Title 37, Chapter 35, Parts 1 and 2, MCA.

**12. COMPLIANCE WITH WORKERS' COMPENSATION ACT**

Contractor shall comply with the provisions of the Montana Workers' Compensation Act while performing work for the Department of Montana in accordance with 39-71-401, 39-71-405, and 39-71-417, MCA. Proof of compliance must be in the form of workers' compensation insurance, an independent contractor's exemption, or documentation of corporate officer status. Neither Contractor nor its employees are Department employees. This insurance/exemption must be valid for the entire contract term and any renewal. Upon expiration, a renewal document must be sent to the Department's Contracts Management Bureau, P.O. Box 201301, Helena, MT 59620.

**13. COMPLIANCE WITH DARK MONEY SPENDING DISCLOSURE REQUIREMENTS**

Contractor shall comply with the provisions of the State of Montana Executive Order No. 15-2018. Contractor shall annually submit a declaration form to the Contract Management Bureau, P.O. Box 201301, Helena, MT 59620-1301. Declaration forms can be found at:

Contractor shall establish a zero-tolerance policy to incidents of sexual assault/rape or sexual misconduct. Any subletting or subcontracting by Contractor subjects its subcontractors to the same provisions. In accordance with 49-3-207,

Kristi Johnson

Contracting Authority: 18-4-132, MCA

MCA, and Executive Order No. 04-2016 Contractor agrees that the hiring of persons to perform this Contract will be made on the basis of merit and qualifications and there will be no discrimination based on race, color, sex, pregnancy, childbirth or medical conditions related to pregnancy or childbirth, political or religious affiliation or ideas, culture, creed, social origin or condition, genetic information, sexual orientation, gender identity or expression, national origin, ancestry, age, disability, military service or veteran status, or marital status by the persons performing this Contract.

**14.2 Affordable Care Act.** The Affordable Care Act requires a Contractor, if Contractor is an applicable large employer under the ACA, to provide healthcare coverage for its employees who provide services for the State and work for 30 or more hours per week. This coverage must also cover the eligible employee's dependents under the age of 26. The coverage must (a) meet the minimum essential coverage, minimum value, and affordability requirements of the employer responsibility provisions under Section 4980H of the Code (ACA), and (b) otherwise satisfy the requirements of the Code § 4980 H (ACA) if provided by the State.

**14.3 Additional Indemnification.** Claims under this provision also include those arising out of or in any way connected with Contractor's breach of this Contract, including any Claims asserting that any of Contractor's employees are actually employees or common law employees of the State or any of its agencies, including but not limited to, excise taxes or penalties imposed on the State under the Code §§ 4980H, 6055 or 6056.

**14.4 Reporting Requirements.** Contractor, if Contractor is an applicable large employer under the ACA, further states that it shall satisfy all reporting requirements under the Code §§ 6055 and 6056 (ACA) with respect to individuals who perform services for the State.

**14.5 Auditing.** The State may audit Contractor's operations to ensure that the Contractor has complied with the statements made above.

## **15. DISABILITY ACCOMMODATIONS**

The Department does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals who need aids, alternative document formats, or services for effective communications or other disability related accommodations in the programs and services offered are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

## **16. REGISTRATION WITH THE SECRETARY OF STATE**

Any business intending to transact business in Montana must register with the Secretary of State. ## **17. INTELLECTUAL PROPERTY/OWNERSHIP**

**17.1 Ownership of Work Product.** Contractor shall execute any documents or take any other actions as may reasonably be necessary, or as the Department may reasonably request, to perfect the Department's ownership of any Work Product.

**17.3 Ownership of Contractor Pre-Existing Materials.** Contractor retains ownership of all literary or other works of authorship (such as software programs and code, documentation, reports, and similar works), information, data, intellectual property, techniques, subroutines, algorithms, methods or related rights and derivatives that Contractor owns at the time this contract is executed or otherwise developed or acquired independent of this contract and employed by Contractor in connection with the services provided to the Department (the "Contractor Pre-existing Materials"). Contractor Pre-existing Materials are not Work Product. Contractor shall provide full disclosure of any Contractor Pre-Existing Materials to the Department before its use and to prove its ownership. If, however, Contractor fails to disclose to the Department such Contractor Pre-Existing Materials, Contractor shall grant the Department a nonexclusive, worldwide, paid-up license to use any Contractor Pre-Existing Materials embedded in the Work Product to the extent such Contractor Pre-Existing Materials are necessary for the Department to receive the intended benefit under this contract. Such license shall remain in effect for so long as such Pre-Existing Materials remain embedded in the Work Product. Except as otherwise provided for in Section 17.1 or as may be expressly agreed in any statement of work, Contractor shall retain title to and ownership of any hardware it provides under this contract.

## **18. CONTRACT TERMINATION**

**18.1 Termination for Cause with Notice to Cure Requirement.** The Department may terminate this contract in whole or in part for Contractor's failure to materially perform any of the services, duties, terms, or conditions contained in this contract after giving Contractor written notice of the stated failure. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

**18.2 Termination for Cause with Notice to Cure Requirement.** Contractor may terminate this contract for the Department's failure to perform any of its duties under this contract after giving the Department written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than **30 days**. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

**18.3 Reduction of Funding.** The Department must by law terminate this contract if funds are not appropriated or otherwise made available to support the Department's continuation of performance of this contract in a subsequent fiscal period. (18-4-313(4), MCA.) If state or federal government funds are not appropriated or otherwise made available through the Department budgeting process to support continued performance of this contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, the Department shall terminate this contract as required by law. The Department shall provide Contractor the date the Department's termination shall take effect. The Department shall not be liable to Contractor for any payment that would have been payable had the contract not been terminated under this provision. As stated above, the Department shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date the Department's termination takes effect. This is Contractor's sole remedy. The Department shall not be liable to Contractor for any other payments or damages arising from termination under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

## **19. EVENT OF BREACH – REMEDIES**

**19.1 Event of Breach by Contractor.** Any one or more of the following Contractor acts or omissions constitute an event of material breach under this contract:

- ⌚ products or services furnished fail to conform to any requirement;
- ⌚ failure to submit any report required by this contract;
- ⌚ failure to perform any of the other terms and conditions of this contract, including but not limited to beginning work under this contract without prior Department approval; or

- ⌚ terminate this contract under Section 18.1 and pursue any of its remedies under this contract, at law, or in equity; or
- ⌚ treat this contract as materially breached and pursue any of its remedies under this contract, at law, or in equity.

Upon the Department's material breach, Contractor may:

- ⌚ terminate this contract under Section 18.2 and pursue any of its remedies under this contract, at law, or in equity; or
- ⌚ treat this contract as materially breached and, except as the remedy is limited in this contract, pursue any of its remedies under this contract, at law, or in equity.

## **20. FORCE MAJEURE**

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five-day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this contract, unless the parties mutually agree that the obligation is excused because of the condition.

## **21. WAIVER OF BREACH**

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

**22. CONFORMANCE WITH CONTRACT**

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without the Department's Contracts Management Bureau's prior written consent. Product or services provided that do not conform to the contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

**23. LIAISONS AND SERVICE OF NOTICES**

**23.1 Contract Liaisons.** All project management and coordination on the Department's behalf must be through a single point of contact designated as the Department's liaison. Contractor shall designate a liaison that will provide the single point of contact for management and coordination of Contractor's work. Written notices, requests, or complaints must first be directed to the liaison. Notice may be provided by personal service, mail, or E-mail. **25. MEETINGS**

**25.1 Technical or Contractual Problems.** Contractor shall meet with the Department's personnel, or designated representatives, to resolve technical or contractual problems occurring during the contract term or to discuss the progress made by Contractor and the Department in the performance of their respective

obligations, at no additional cost to the Department. The Department may request the meetings as problems arise and will be coordinated by the Department. The Department shall provide Contractor a minimum of three full working days notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the contract.

**25.2 Failure to Notify.** If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by the Department, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

**25.3 Department's Failure or Delay.** For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of the Department's failure or delay in discharging any Department obligation, the Department shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If the Department agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby, and provide for any additional charges by Contractor. This is Contractor's sole remedy. If the Department does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

**26. TRANSITION ASSISTANCE**

If this contract is not renewed at the end of this term, if the contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor shall provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this contract or particular work under this contract. The purpose of this assistance is to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to the Department or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this contract, except for those terms or conditions that do not reasonably apply to such transition assistance. The Department shall pay Contractor for any resources utilized in performing such transition assistance at the most current contract rates. If the Department terminates a project or this contract for cause, then the Department may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages the Department may have sustained as a result of Contractor's breach.

**27. CHOICE OF LAW AND VENUE**

Montana law governs this contract. The parties agree that any litigation concerning this bid, proposal, or this contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.
