MSP VISITOR DRESS CODE & VISITING RULES AND REGULATIONS
As approved by Warden Lynn Guyer effective date 10/15/2019

**Dress Code** *(these dress codes apply equally to females and males over five years old)*

Visitors should dress and maintain their personal hygiene in a manner that is not distracting, disturbing, provocative, or offensive to other visitors, inmates, and/or staff. All clothing must be clean and in good repair (no holes, tears, etc.) the Visiting and/or Visiting Entrance Officer will make decisions in this matter. If the visitor disputes the decision of the Visiting or Visiting Entrance Officer, it will be referred to the Shift Commander. If the Shift Commander determines an individual’s clothing or hygiene isn’t appropriate, the visitor will be asked to leave. The visitor will not be allowed to cover or mask the problem in question and proceed with the visit. He or she must leave. Because MSP is an adult male facility; female visitors are required to dress in a conservative manner so as not to offend other visitors, staff, or the inmates. Visitors are expected to conduct themselves in a manner that is polite and respectful to other visitors, staff, and inmates. Violations of this may result in being denied entry or early termination of the visit. Repeated violations of these conduct guidelines may result in a suspension or total revocation of the visitor’s visitation privileges. Montana State Prison will not tolerate disrespectful or aggressive behavior to include loud, threatening, abusive, or profane language; verbal or physical aggressions toward staff members, offenders, or visitors; inappropriate physical contact; or improper use or abuse of state property.

Visitors wearing the following items/types of clothing will not be allowed into the facility:
1. Spandex, form fitting, or excessively baggy tops/shirts or bottoms/pants (normally identified with gang dress).
2. Shorts or cut-offs.
3. Transparent tops, skirts, or pants. Undergarments must not be visible through the clothing.
4. Clothing without the proper undergarments (bra, slip, and underwear). Female visitors must wear a bra at all times (sport, regular or strapless). Bras with metal under wires will not clear metal detection devises, and will necessitate an intrusive clothed body search to verify the source of the metal causing the alert.
5. Sleeveless tops. Tops, shirts or blouses, must be worn with a bra, and ‘tank’ type tops are not allowed as an outer garment. Tops must be long enough that no skin is exposed when arms are raised overhead. Necklines must not be lower than 2 inches below the notch of the neck.
6. Dresses or skirts as follows:
   a) without a slip underneath;
   b) without a hem at least 6 inches lower than the knee when standing;
   c) with slits extending above the knee; and
   d) with button-up or snap-up front, back, or wrap around (these dresses may be worn only if sewn shut).
7. Dress that, taken as a whole, resembles inmate-issued clothing (dark blue, tan, orange scrub type pants or tops).
8. Any clothing that, taken as a whole, resembles staff uniforms (grey tops/bottoms, medical scrub clothing).
9. Camouflage clothing.
10. Flip-flops slippers and steel-toed boots or shoes. Open toed shoes are allowed.
11. Shoes that have hidden compartments, pockets, or zippered pockets.
12. Clothing items with designs that are profane or derogatory.
13. Clothing with designs that promote illegal drugs, alcohol, or sexual behavior.
14. Clothing that is obviously soiled or has holes/tears large enough to be deemed a distraction.
15. Sunglasses (unless they are prescription).

Visitors are cautioned to refrain from wearing metal items underneath their clothing, as any metal item will not clear the metal detection devises, and will necessitate an intrusive clothed body search to verify the source of the metal causing the alert.

Visitors must hang their coats, vests, hats, scarves on the coat hangers in the visiting room foyers, and are not allowed to remove clothing items they wear into a visiting room. Jackets/coats with hoods must be hung up inside the visiting room.
