As part of the Department's ongoing evaluation of current population trends and placement needs, we have identified a temporary need for additional beds at the Passages Women's Center (Passages) in all three programs offered (ASRC, ADT, and PRC) in order to meet the legislative jail hold requirement.

NOW THEREFORE, the parties agree to amend the Contract as follows:

CONTRACTOR agrees to the following temporary additional services:

Effective April 1, 2019 and through June 30, 2019 (91 days in total), the Department requests these additional services:

- ⌚ Five (5) additional beds in the ADT program, bringing the total to 55 beds (not including the 12 sanction/hold beds at Passages), at the current rate of \$78.06/day, for an allowance of \$26,930.70.

4. Work stoppage

CONTRACTOR shall develop and maintain an emergency plan that addresses staffing during sick outs, strikes, and work stoppages at the Program and shall notify Local law enforcement personnel and the Prerelease Contract Manager or designee once it becomes apparent that Passages may become or, actually becomes, subject to a sick out, strike, or work stoppage.

5. Use of force

G. Compensation/Billing

DEPARTMENT agrees to pay a daily per diem rate where "daily" means each day, or part of a day, including the first but not the last day of program participation/confinement. This applies to each subsection listed under Section G (1) below. For subsequent negotiations commencing May 1, 2011 and thereafter, DEPARTMENT will compensate CONTRACTOR at any newly negotiated rates, such rates to be effective July 1st of the beginning of the immediate next Fiscal Year commencing July 1st, provided a contract amendment has been signed by both parties. The parties may extend the Contract signature deadline in any renegotiation period between May 1 and July 1) to July 31st of that year, but may not extend the signature deadline later than July 31st ("the Impasse Date") absent extenuating circumstances (eg. special sessions, pending legal opinion, or per statutory effective date). In the event a contract amendment has not been fully executed by the Impasse Date or, if extended due to extenuating circumstances, DEPARTMENT shall continue to compensate CONTRACTOR at the rates then existing during any period of dispute resolution until a final award is entered in accordance with the provisions of paragraph AA of this Contract.

Approval for Contract amendments will not be unreasonably withheld by either party. In the event of a disagreement over the acceptability or applicability of requested Contract amendments, whether as to financial or other matters, which results in the failure to execute an amended contract by the Impasse Date, the dispute resolution provisions of paragraph AA of this contract may be invoked by either party.

If the parties cannot agree to the Contract terms by the Impasse Date, the parties may also attempt to resolve the impasse with mediation, in which case the cost of mediation will be split equally between the parties. Mediation prior to invoking the dispute resolution provisions of paragraph AA of this Contract is not a condition precedent to arbitration.

V. Policy and Procedures Changes and Reference List

The contractor is not required to comply with policies or Administrative Rules that govern the operations of Probation and Parole unless they are specifically cross-referenced in the body of the policy or Administrative Rule as applicable to the Contractor's operations and have been through the twenty (20)-day (working) review/comment period. CONTRACTOR may submit written comments on all revisions as provided for in ACCD 1.1.200 Policy Management System. If the DEPARTMENT proposes or considers Administrative Rule or Policy changes affecting CONTRACTOR'S financial operation or the intent of the Contract, DEPARTMENT agrees to negotiate these changes with the Contractor prior to implementation of said Administrative Rules or Policies. DEPARTMENT will not implement procedures or policies that affect CONTRACTOR'S financial operation or the intent of the Contract without mutual agreement. Neither CONTRACTOR nor DEPARTMENT will unreasonably withhold agreement. DEPARTMENT will only make revisions to the procedure manual after a twenty (20)-day (working) review/comment period by both parties. DEPARTMENT will conduct quarterly meetings with Facility Directors and Administrators to review and discuss proposed policy changes, and if necessary, conduct a conference call with CONTRACTOR prior to the quarterly meeting to discuss and review items of an emergent matter. If parties are in disagreement about policies that do not affect CONTRACTOR'S financial operations or the intent of the Contract, final approval is at the discretion of DEPARTMENT.

Upon agreement by both parties, implementation of policy will occur immediately upon finalization and agreement of policy. All current ACCD policies and procedures will be maintained on the DOC website with applicable revision dates noted. Those policies with Restricted Distribution (RD) will be forwarded directly to applicable facilities upon finalization and revision.

- b. Step 2: Upon declaration of an impasse, the parties will seek mediation by a qualified mediator who will be agreed to by the parties or, if the parties cannot agree to a mediator within thirty (30) days of the decision to mediate, the party seeking mediation will choose the mediator. The cost of the mediation will be split equally between the parties.

The mediator shall conduct all hearings and meetings in Helena, Montana. If non-binding mediation does not resolve the dispute, parties may proceed to Step 3 set out herein.
