   a. An identified alternate location for offenders to reside temporarily for approximately a ninety (90) day duration, that provides adequate life support resources (i.e. food, shelter, water, personal hygiene) in the event of a natural or man-made event (i.e. earthquake, wildfire, prolonged/catastrophic utility failure, etc.) which renders the facility uninhabitable.

3. Work stoppage

   CONTRACTOR shall develop and maintain an emergency plan that addresses staffing during sick outs, strikes, and work stoppages at the Program and shall notify Local law enforcement personnel and the Prerelease Contract Manager or designee once it becomes apparent that the Gallatin County Reentry Program may become or, actually becomes, subject to a sick out, strike, or work stoppage.

4. Use of force

   The plan shall also address the assumption of operations of the program or facility by DEPARTMENT in the event of CONTRACTOR'S bankruptcy or financial insolvency or if CONTRACTOR is unable to operate the facility.
G. Compensation/Billing

DEPARTMENT agrees to pay a daily per diem rate where “daily” means each day, or part of a day, including the first but not the last day of program participation/confinement. This applies to each subsection listed under Section G (1) below. For subsequent negotiations, DEPARTMENT will compensate CONTRACTOR at new negotiated rates effective July 1st of the beginning of the Fiscal Year if a new contract amendment has been signed by all the parties. The parties may extend final Contract signature to July 31st if there are extenuating circumstances (e.g. special sessions, pending legal opinion, or per statutory effective date). Contract approval will not be unreasonably withheld by either party. Should there be extenuating circumstances beyond July 31st, DEPARTMENT will pay the new negotiated rates to CONTRACTOR beginning on the first day of the month following the date of the last signature. If the parties cannot agree to the Contract terms by July 31st, the parties will resolve the impasse with mediation and the cost of mediation will be split equally between the parties. DEPARTMENT shall compensate CONTRACTOR for successful delivery of the services provided pursuant to Contract in the following manner:

1. Compensation:

   a. Total contract amount

      **FY – 2016 (July 1, 2015 – June 30, 2016)**
      Contract Maximum reimbursement shall not exceed **$953,225** for the contract period beginning July 1, 2015 and ending June 30, 2016. The contract maximum amount includes all compensation noted in this contract except “special needs” and stipend funding.

      **FY – 2017 (July 1, 2016 – June 30, 2017)**
      Contract Maximum reimbursement shall not exceed **$969,112** for the contract period beginning July 1, 2016 and ending June 30, 2017. The contract maximum amount includes all compensation noted in this contract except “special needs” and stipend funding.

   b. Offender per diem rates

      **FY – 2016 (July 1, 2015 – June 30, 2016)**
      **Gallatin County Reentry Program:** For the contract period beginning July 1, 2015 and ending June 30, 2016, DEPARTMENT will pay CONTRACTOR a per diem rate of **$70.96** (seventy and 96/100 dollars) **per offender, per day**. Program capacity at the Gallatin County Reentry Program facility is **thirty-four (34) male** Reentry beds, with maximum compensations calculated at an Average Daily Population of **thirty-four (34)** beds for the contract year.

      **FY – 2017 (July 1, 2016 – June 30, 2017)**
      **Gallatin County Reentry Program:** For the contract period beginning July 1, 2016 and ending June 30, 2017, DEPARTMENT will pay CONTRACTOR a per diem rate of **$72.38** (seventy-two and 38/100 dollars) **per offender, per day**. Program capacity at the Gallatin County Reentry Program facility is **thirty-four (34) male** Reentry beds, with maximum compensations calculated at an Average Daily Population of **thirty-four (34)** beds for the contract year.
The daily per diem rate paid to CONTRACTOR for transitional living program (TLP) services – provided in accordance with Section 2 (C)(8) of this Agreement – is $21.42 per offender, per day for FY 2016 and $21.85 per offender, per day for FY 2017. CONTRACTOR’S goal is to maintain five (5) offenders in this program at all times and the maximum amount paid to CONTRACTOR, as noted in Section 1(G)(1)(a), is based upon this goal and the corresponding dollar amount included in the contract maximum.

CONTRACTOR shall not exceed the combined capacity level for the facility. Capacity levels between male, female, TLP, and ESP beds/slots listed above may be adjusted within this combined capacity total to account for occasional population fluctuations. However, CONTRACTOR may only exceed the combined capacity level by five (5) beds or slots (including prerelease, TLP, or ESP), or 5% of the combined capacity number, whichever is greater, within a 30 day period. The DEPARTMENT, at its discretion, may request the CONTRACTOR exceed its capacity level by more than 5 beds or 5% of the combined capacity number, whichever is greater, based on population needs, or other need identified by the DEPARTMENT.

During an offender’s detention placement, DEPARTMENT will continue payment to CONTRACTOR at the contracted per diem rate to allow CONTRACTOR to “hold” the bed until the offender’s return. However, upon determination by DEPARTMENT Hearing Officer that the offender will be returned to a higher level of custody from CONTRACTOR detention center, CONTRACTOR will discontinue receiving per diem payments for the offender and may immediately fill the bed with another offender.

DEPARTMENT shall pay CONTRACTOR for male resident beds left temporarily vacant by offenders who are placed in a jail facility and/or those serving a sanction (and not a revocation), and those administratively transferred for medical or mental health stabilization to the START Program or jail facilities, and who will be returning to the prerelease center they were removed from within a thirty (30) day time period. DEPARTMENT will not compensate CONTRACTOR for sanctions lasting beyond 30 days unless approved in writing by the DEPARTMENT. Longer stays require Division Administrator or designee approval.

DEPARTMENT will be responsible for paying all offender County jail per diem charges directly to the County of incarceration. CONTRACTOR will bill offender and collect from funds available in resident account, to the extent deemed reasonable by CONTRACTOR, the DOC-established County Jail per diem rate per offender, per day, for those offenders that serve jail days while in the prerelease program. DEPARTMENT will bill CONTRACTOR the DOC-established County Jail per diem rate per offender, per day, via a monthly invoice, for county jail days billed to DEPARTMENT by the County jail. DEPARTMENT will approve and forward invoice to CONTRACTOR. CONTRACTOR will remit to DEPARTMENT collectible amounts from offenders as determined reasonable by CONTRACTOR. CONTRACTOR shall not be responsible for any amount invoiced, but not paid from resident accounts. Unpaid invoice amounts will not be carried forward from month to month. DEPARTMENT acknowledges that CONTRACTOR may specifically delegate this billing requirement to OPERATOR.
c. Special funds (special needs, stipends, sex offenders)

CONTRACTOR must follow ACCD 5.1.202 Prerelease Stipend and Special Needs Funding.

DEPARTMENT may pay CONTRACTOR for expenses related to special needs and or stipend requests for offenders. This amount will not be counted toward the maximum amount paid under the contract in section 1(G)(1)(a).

d. Position compensation (nurse)

DEPARTMENT shall pay CONTRACTOR up to thirty-one thousand and 00/100 dollars ($31,000) for each Fiscal Year for a registered nurse, mental health services, and or addiction counseling or treatment services. The amount of payment for this service will be pro-rated, should these services not be available for an entire fiscal year. Should CONTRACTOR provide sick call, CONTRACTOR must comply with all applicable laws and regulations regarding practices of nursing and medicine.

2. Billing/Payment:

a. All payments made under this Contract shall be made only upon submission by CONTRACTOR of an Invoice specifying the amounts due for contractual services rendered during the preceding month and certifying that services requested under the Contract have been performed in accordance with the Contract. Electronic invoices provided by DEPARTMENT shall be submitted no later than the 10th of each month and shall contain each offender name and (AO) number (Adult Offender # (AO#)) participating in the Gallatin County Reentry Program, the date of Program entry, and date of release, if applicable. CONTRACTOR must follow ACCD 1.2.300 Institutional/Non-institutional.

b. Per 17-8-242, MCA, DEPARTMENT agrees to pay CONTRACTOR within 30 days following receipt of a correct invoice. Invoices are subject to audit and adjustment by DEPARTMENT before and after payment is made. Unless such invoice is subjected to a special review or audit, DEPARTMENT will make every effort to pay CONTRACTOR or provide written explanation of exception, within 15 days of DEPARTMENT receiving a correct invoice.

c. The per diem rate constitutes the sole and exclusive payment by DEPARTMENT for the provision of all services required herein and shall remain in effect until changed by mutual agreement of both parties, except as otherwise specifically provided in this Contract.

d. CONTRACTOR must follow ACCD 1.1.700 Compliance Monitoring. DEPARTMENT may withhold payments to CONTRACTOR in an amount equal to the additional costs to the DEPARTMENT or $1,000.00 per month, whichever is greater, for failure to perform in accordance with the terms of this Agreement. However, prior to withholding payment, DEPARTMENT shall notify CONTRACTOR, in writing, of its failure to perform. The notice shall specify acts or omissions constituting the default. If CONTRACTOR fails to remedy the default or submit an action plan deemed acceptable by DEPARTMENT within 60 calendar days of receipt of notice (documented by certified mail), DEPARTMENT may withhold payments. DEPARTMENT may allow CONTRACTOR additional time, as
appropriate, provided CONTRACTOR demonstrates a good faith effort to achieve compliance.

e. The Contract number must be referenced on all invoices and correspondence pertaining to this Contract.

f. CONTRACTOR shall maintain a male population consistency of 50% institutional offenders based on a 95% occupancy rate of total contracted male beds. To determine the male offender population consistency percentage, only male resident beds will be considered. Transitional Living and Enhanced Supervision will not be included in this figure. DEPARTMENT will conduct random audits to determine if CONTRACTOR is maintaining a male population consistency of 50% institutional offenders based on a 95% occupancy rate. If the institutional offender population consistency falls below 50% of the occupancy rate for three (3) consecutive months, with 50% institutional referrals from the DEPARTMENT, DEPARTMENT will deduct 2% off the current per diem rate on the fourth month to continue on a month to month basis until CONTRACTOR regains the required population consistency. If it is determined DEPARTMENT is not providing at least 50% institutional referrals that meet CONTRACTOR screening committee acceptance criteria no deduction will be made.

g. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay (LOS) extends beyond 200 days unless specifically authorized and approved in writing by the PRC Contract Manager or designee, prior to the expiration of the 200-day period.

h. CONTRACTOR will provide DEPARTMENT upon request, for review, the CONTRACTOR'S yearly (audited) financial statements and of OPERATOR'S yearly (audited) and quarterly (unaudited) financial statements.
