In addition to its other remedies under this contract, at law, or in equity, the Department may, at Contractor's expense, require prompt correction of any services failing to meet Contractor's warranty herein. Services corrected by Contractor shall be subject to all the provisions of this contract in the manner and to the same extent as services originally furnished.

10.2 **Primary Insurance.** Contractor’s insurance coverage shall be primary insurance with respect to the Department, its officers, officials, employees, and volunteers and shall apply separately to each project or location. Any insurance or self-insurance maintained by the Department, its officers, officials, employees, or volunteers shall be excess of Contractor’s insurance and shall not contribute with it.

10.3 **Deductibles and Self-Insured Retentions.** Any deductible or self-insured retention must be declared to and approved by the Department. At the request of the Department either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Department, its officers, officials, employees, or volunteers; or (2) at the expense of Contractor, Contractor shall procure a bond guaranteeing payment of losses and related investigations, claims administration, and defense expenses.

10.4 **Certificate of Insurance/Endorsements.** A certificate of insurance from an insurer with a Best’s rating of no less than A- indicating compliance with the required coverages has been received by the Department’s Contracts Management Bureau, P.O. Any subletting or subcontracting by Contractor subjects subcontractors to the same provision. In accordance with 49-3-207, MCA, Contractor agrees that the hiring of persons to perform this contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing this contract.

Contractor Pre-existing Materials are not Work Product. Contractor shall provide full disclosure of any Contractor Pre-Existing Materials to the Department before its use and to prove its ownership. If, however, Contractor fails to disclose to the Department such Contractor Pre-Existing Materials, Contractor shall grant the Department a nonexclusive, worldwide, paid-up license to use any Contractor Pre-Existing Materials embedded in the Work Product to the extent such Contractor Pre-Existing Materials are necessary for the Department to receive the intended benefit under this contract. Such license shall remain in effect for so long as such Pre-Existing Materials remain embedded in the Work Product. Except as otherwise provided for in Section 14.1 or as may be expressly agreed in any statement of work, Contractor shall retain title to and ownership of any hardware it provides under this contract.

15. **CONTRACT TERMINATION**

15.1 *Termination for Cause with Notice to Cure Requirement.* The Department may terminate this contract in whole or in part for Contractor's failure to materially perform any of the services, duties, terms, or conditions contained in this contract after giving Contractor written notice of the stated failure. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

15.2 *Termination for Cause with Notice to Cure Requirement.* Contractor may terminate this contract for the Department's failure to perform any of its duties under this contract after giving the Department written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than 30 days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

15.3 *Reduction of Funding.* The Department must by law terminate this contract if funds are not appropriated or otherwise made available to support the Department's continuation of performance of this contract in a subsequent fiscal period (18-4-313(4), MCA). If state or federal government funds are not appropriated or otherwise made available through the Department budgeting process to support continued performance of this contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, the Department shall terminate this contract as required by law. The Department shall provide Contractor the date the Department's termination shall take effect. The Department shall not be liable to Contractor for any payment that would have been payable had the contract not been terminated under this provision. As stated above, the Department shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date the Department's termination
takes effect. This is Contractor's sole remedy. The Department shall not be liable to Contractor for any other payments or damages arising from termination under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

16. **EVENT OF BREACH - REMEDIES**

16.1 Event of Breach by Contractor. Any one or more of the following Contractor acts or omissions constitute an event of material breach under this contract:

- failure to submit any report required by this contract;
- failure to perform any of the other terms and conditions of this contract, including but not limited to beginning work under this contract without prior Department approval; or
- voluntary or involuntary bankruptcy or receivership.

16.3 Actions in Event of Breach.

Upon Contractor’s material breach, the Department may:

- terminate this contract under Section 15.1 and pursue any of its remedies under this contract, at law, or in equity; or
- treat this contract as materially breached and pursue any of its remedies under this contract, at law, or in equity.

Upon the Department’s material breach, Contractor may:

- terminate this contract under Section 15.2 and pursue any of its remedies under this contract, at law, or in equity; or
- treat this contract as materially breached and, except as the remedy is limited in this contract, pursue any of its remedies under this contract, at law, or in equity.

17. **FORCE MAJEURE**

Neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five day period, then a party may not claim a force majeure event. A force majeure condition suspends a party’s obligations under this contract, unless the parties mutually agree that the obligation is excused because of the condition.

18. **WAIVER OF BREACH**

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.
19. **CONFORMANCE WITH CONTRACT**

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without the Department’s Contracts Management Bureau’s prior written consent. Product or services provided that do not conform to the contract terms, conditions, and specifications may be rejected and returned at Contractor’s expense.

20. **LIAISONS AND SERVICE OF NOTICES**

20.1 **Contract Liaisons.** All project management and coordination on the Department’s behalf must be through a single point of contact designated as the Department’s liaison. Contractor shall designate a liaison that will provide the single point of contact for management and coordination of Contractor’s work. All work performed under this contract must be coordinated between the Department’s liaison and Contractor’s liaison.

Written notices, requests, or complaints must first be directed to the liaison. Notice may be provided by personal service, mail, or facsimile. If notice is provided by personal service or facsimile, the notice is effective upon receipt; if notice is provided by mail, the notice is effective within three business days of mailing. A signed and dated acknowledgement of the notice is required of both parties.

21. **MEETINGS**

21.1 **Technical or Contractual Problems.** Contractor shall meet with the Department’s personnel, or designated representatives, to resolve technical or contractual problems occurring during the contract term or to discuss the progress made by Contractor and the Department in the performance of their respective obligations, at no additional cost to the Department. The Department may request the meetings as problems arise and will be coordinated by the Department. The Department shall provide Contractor a minimum of three full working days notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor’s option and expense, a conference call meeting may be substituted. Contractor’s consistent failure to participate in problem resolution meetings. Contractor missing or rescheduling two consecutive meetings, or Contractor’s failure to make a good faith effort to resolve problems may result in termination of the contract.

21.2 **Failure to remedy.** If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by the Department, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor’s status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.
21.3 Department's Failure or Delay. For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of the Department's failure or delay in discharging any Department obligation, the Department shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If the Department agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby, and provide for any additional charges by Contractor. This is Contractor's sole remedy. If the Department does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

22. CHOICE OF LAW AND VENUE

Montana law governs this contract. The parties agree that any litigation concerning this bid, proposal, or this contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees.

26. SCOPE, ENTIRE AGREEMENT, AND AMENDMENT

26.1 Contract. This contract consists of nine (8) numbered pages and any Attachments as required. In the case of dispute or ambiguity arising between or among the documents, the order of precedence of document interpretation is the same.

26.2 Entire Agreement. These documents are the entire agreement of the parties. They supersede all prior agreements, representations, and understandings. Any amendment or modification must be in a written agreement signed by the parties.

27. WAIVER

The Department's waiver of any Contractor obligation or responsibility in a specific situation is not a waiver in a future similar situation or is not a waiver of any other Contractor obligation or responsibility.
