EEO Policy Statement Poster

The State of Montana is an equal employment opportunity employer and prohibits discrimination based on race, color, national origin, age, physical or mental disability, genetic information, marital status, religion, creed, sex, pregnancy, childbirth, or a medical condition related to pregnancy or childbirth, sexual orientation, gender identity or expression, military service or veteran’s status, culture, social origin or condition, ancestry, or political beliefs unless based on a bona fide occupational qualification (BFOQ). The State also prohibits discrimination in providing services, activities and programs unless providing a reasonable accommodation or reasonable modification would cause an undue hardship. The State also does not tolerate retaliation for reporting, participating in a proceeding regarding, or opposing discrimination or harassment.

The State of Montana is committed to resolving complaints of discrimination in a fair and timely manner. The complaint resolution procedure is a dispute resolution process used when an applicant, client, customer or employee alleges that discrimination has taken place. Management must investigate when reports are received. Complaints concerning disability discrimination are submitted to the agency Americans with Disabilities Act (ADA) Coordinator. All other complaints are submitted to the agency Equal Employment Opportunity (EEO) Officer. This complaint resolution procedure may not cover members of a collective bargaining unit unless it is stipulated in the bargaining agreement.

Any applicant, client, offenders, or employee who believes he or she or another person has been subjected to a discrimination of the equal employment opportunity policy is encouraged to report the incident(s) or action(s) to management as soon as possible after the alleged discrimination occurs. Early reporting is encouraged, because management's ability to investigate and act on reports diminishes with time.
